Cass County Men Attend Livestock Meet

Nehawka, county president of the Corn Belt Livestock Feeder's association have returned from a two day convention of the national organization held at the President Hotel in Kansas City, Missouri on February 23rd and

Cass county was well represented at the convention. Those attending besides Mr. and Mrs. Todd and Mr. and Mrs. Philpot were Mr. and Mrs. Eugene Day, Weeping Water and Mr. and Mrs. Henry Hild, Plattsmouth. Also attending were Mr. and Mrs. Elmer Kasbohm of Otoe county.

This was the fourth annual convention of this fast growing organization and was declared the best ever held by those attending. The convention was welcomed by Mayor William Kemp of Kansas City; J. Dillingham. Highway Office president of the Kansas City Stock Yards Company and Cliff Kaney, President of the Kansas City Llivestock Exchange.

The presidents of the ten states making up the membership of the association each retheir respective states, Mr. Todd reporting for Nebraska. Their reports revealed less cattle on feed dent of Cass county, received belt with an increased number received a fine reception and on feed in the western states, courteous treatment during their All states agreed that there stay and had every opportunity would be a substantial increase to present their view and de-

Court House Clock Taken to Cincinnati

The mechanism of the Cass county court house clock, idle since the 8th of December, started the journey back to Cincinnati, Ohio, today, to the L. T. Verdin company who have the contract for the modernization of the clock and will prepare it for re-installation in the

tower in a thirty day period. The event of the departure of the works for the east will be of a great deal of interest in this community where the residents have so generously donated funds to have the clock placed back in shape for ac-

tive service. When Big Ben returns it will be operated by electric motors and have all new bearings installed, doing away with the heavy weights that had made the operation of the clock a

The contract with the clock company guarantees that it will be back and on the job in thirty days so watch out in the next few weeks for the familiar notes of the timepiece.

Mr. and Mrs. James Nowacek, Jr., of Lincoln were here Sunday to visit at the home of Mr. Nowacek's parents, Mr. and of the relatives and friends
