# Change to OIL-PLATING!

**QUIET! . . .** There's an added ingredient in husky Conoco N<sup>th</sup> Motor Oil that fastens a shield of lubricant right to your engine's working parts . . . protects them from wear. So change to N<sup>th</sup> motor oil . . . and an OIL-PLATED engine.

**READY TO GO!**  
... because Conoco N<sup>th</sup> OIL-PLATING can't all drain down, even overnight. Cylinders are lubricated, ready to go, at the touch of the starter!

**RUNS SMOOTH!**  
... because another exclusive additive in Conoco N<sup>th</sup> combats combustion acids and power-robbing sludge and carbon due to wear.

**CUT COSTS!**  
... because Conoco N<sup>th</sup> is made from fine paraffin-base crude—has wonder-working additives to reduce wear. You'll save on repair bills!
