Family Group Has Easter Observance

Margaret Mary Elting has spent her Easter vacation at Omaha with her grandmother, Mrs. Margaret Keenan and other relatives and friends. On Sunday the B. H. G. Elting family were at Omaha where they were joined by Mr. and Mrs. Leo Ra-

diga. The family observed their traditional Easter breakfast and egg hunt for the children, a custom they have carried on for the past twelve years. Each year they stage the hunt in Hanscom park.

A radio wave is sent out from a transmitter all the time that it is operating and is used to carry the signal.

Nelson-Bowman Wedding Held at Lincoln

The First Baptist church at Lincoln was the scene Easter Sunday of the wedding of Miss Dorothy Marie Nelson, daughter of Mr. and Mrs. Martin Nelson of Nehawka, and Virgil S. Bowman, of St. Joseph, Missouri, son of Mr. and Mrs. Jesse Bowman, of Union Star, Missouri.

The church was beautifully decorated with Easter and call lilies to form a fitting background for the ceremony. The wedding service was celebrated by the Rev. Lewis Hale, pastor of the church, witnessed by a large group of the relatives and friends of the young people.

Mrs. Edgar Cole was at the console of the organ to play the nuptial music, and Mrs. Marie Jackson sang "Because" and "O Promise Me" during the ceremony.

The bride was charming in a tan striped suit with dark brown accessories. Her flowers were a corsage of pink roses.

Mrs. Adam Schwindt was matron of honor, wearing a chocolate brown suit, rose blouse and had brown accessories. She wore a deep pink carnation corsage.

A reception was given in the church parlors by the parents of the bride to a party of sixty-seven guests following the ceremony.

Mr. and Mrs. Bowman left immediately after the ceremony for Omaha and will later go to St. Joseph, Missouri, where they will be at home to their friends after May 1st.

The bride graduated from the schools at Mason City, Nebraska, and for the past eight years has been an employee of the Lincoln Telephone & Telegraph Co.

The groom graduated from the high school at Union Star, Missouri. He is employed at the Hy Class store at St. Joseph.

Guests were present at the wedding from Miami, Florida, Nehawka, Mason City, Omaha, Grand Island, Burwell, Nebraska, Atlantic, Brayton and Wiota, Iowa.

Fairview Club Holds Meeting

Fairview club met April 18 at the home of Mrs. Ben Speck. Twelve members were present. Mrs. Earl Becker was a visitor.

Due to the absence of the president, Mrs. Leon Bond, the vice-president conducted the business meeting.

The benefit square dance which will be given at Weeping Water on May 7th, at 8 p. m., was further planned and a check made on the ticket sales.

A "round robin" letter was written to Mrs. Herman Hennings, a faithful member, who is recuperating in the Methodist hospital. We hope she will be with us at our next meeting.

The lesson on "milk" was given and demonstrated by Mrs. Louis Wagner. Several delicious drinks were made and sampled by those present. Mrs. Wagner gave us many new suggestions on how to prepare and serve milk.

April being plant exchange month, the members drew numbers to determine which gift they were to receive.

The May meeting will be held at the home of Mrs. Glen Kraeger, assisted by Mrs. Lorenze Roloff. The lesson will be on "Nebraska Schools", under the leadership of Mrs. Eugene Meisinger.

The feed sacks were collected by Mrs. Glen Kraeger. These were donated to relief. A call was sent out for ten sacks for each club. We are glad to send our quota.

The meeting adjourned after which refreshments were served by the hostess, Mrs. Floyd Becker.

AMOUNT IN ERROR

The Journal on Monday printed an article relating to the increase in the bank deposits of the local Plattsmouth State bank over the last report of December 11, 1948. It was also stated that the Omaha banks were short some \$93,000, in the last statements over that of the statements in December. The amount should have been \$39,000,000.

Light Heads and Heavy Feet Cause Many Accidents

Light heads and heavy feet seem to be the principal causes for Nebraska's alarming increase in traffic deaths.

Horace E. Crosby, President of the Nebraska State Safety Council, stated today that the death toll in Nebraska nearly equals last year's toll for the same period. As of April 7, Nebraska had 36 fatalities as compared to 45 for the same period last year.

"This, contrasted with the fact that at the end of January Nebraska had reduced its traffic fatality experience by 72 per cent, is cause for real alarm," Crosby said.

"It is hard to put the finger on the exact cause of so many traffic deaths. Perhaps it is because we drivers have a light head and a heavy foot on the accelerator in this spring weather and on the first dry roads we have seen in months," he continued.

"That feeling of self-satisfaction which comes with perfect road conditions and pleasant driving weather sometimes lulls us into a false sense of security, which can be as fatal as taking poison. Don't allow your watchfulness to decrease even for a moment while walking or driving," Crosby concluded.

St. Paul's Church Circle Meetings

The circles of the St. Paul's Evangelical and Reformed church met this week with a very large attendance at the gatherings.

Circle No. 1, met at the church parlors with Mrs. Edward Steppat, Mrs. Perilla Gopen and Mrs. Anna Kaffenberger as hostesses. The devotions were led by Mrs. Otto Pitz. There were fourteen members and nine visitors present. Following the meeting the group was entertained by motion pictures by Mrs. Guy Wiles, showing the scenes of their travels in the south and Cuba. Refreshments were served by the hostesses.

Circle No. 2 met at the home of Miss Emma and Elizabeth Hirz with Mrs. Bena Smith as associate hostess. The devotions were led by Mrs. Dorothy Schmidt. Mrs. Martha Meisinger was the chairman of the circle meeting. After the business session refreshments were served. There were sixteen members present and three visitors.

Circle No. 3 met at the home of Mrs. Lena Tritsch with Mrs. Verner Kaffenberger and Mrs. Fred Haffke as the associate hostesses. The devotions were led by Mrs. Kaffenberger. Mrs. Leonard Born presided as chairman of the meeting and entertainment. Refreshments were served at an appropriate hour. There were eighteen members and nine visitors present. The program was closed with the serving of refreshments.

In the list of winners in the spring window showing, the prize of the Knorr Variety store was omitted. This was a set of electric lamps which were won by Mrs. Geraldine Hirz.
