Cub Scout Kite Flying Contest Held

Whether the boys or the parents of the boys had the most fun will not be known, but all enjoyed the outing and the kite contest for the Cubs which was held on Sunday, April 24th.

The contest had been postponed from earlier in the month due to bad weather, and as a result the number of contestants had been reduced due to the fact that kites have a tendency to break.

This same breakage also resulted in the elimination of a few of the boys when the contest got under way. Michael Shellenbarger saw his kite just start up and then fold as was the case also with Robert Beverage. Robert Lingford found that his kite was too large for the wind that day and was unable to make it fly.

Top honors went to Douglas Reno who took three firsts, namely: Highest flyer, best 3-stick and smallest kite, to fly. Alan Wiles really had the smallest kite but was unable to make it fly in the wind that day. The kite was about 2-inches long and 1 1/2-inches wide.

Results of the contest are as follows:

Smallest kite, Douglas Reno. Largest kite, Alan Wiles. 2-stick kite—1st, V. Stuart Nielsen; 2nd, Alan Wiles; 3rd, Milton Talcott.

3-stick kite—1st, Douglas Reno; 2nd, Johnny Haith; 3rd, Herman Weber.

Highest flyer—1st, Douglas Reno; 2nd, Johnny Haith.

Nearly all those present voiced their desire to have another kite flying contest and no doubt it will come to be a regular spring event. The contest was in charge of Richard E. Beverage, the new activities chairman for the Cubs for the coming year.

Mayberry, G. 33, second; Janecek, P. third.

Discus—G. Ashbaugh, P. 112' 10", first; Ofe, P. 97' 6", second; Liddick, P. 97', third.

High Jump—Doody, P. 5' 7", first; G. Ashbaugh, P. 5' 7", second; Quinn, P. third; McDole, G. third; Kalasek, P. fourth.

Broad Jump—White, P. 18' 7", first; N. Ashbaugh, P. 18' 1-3, second; Schiedie, G. 17' 5", third.

880 - Relay - Plattsmouth, 1:45.4.

John (Buddy) White was the high scorer of the meet with 16 1/2 points to his credit.

In the Freshman-Sophomore relay the Freshmen were the winners.

Bierls Do Terracing

gradually been cut out in the center of the field. This, too, will soon be seeded to bromo to stop the heavy erosion.

On another farm belonging to Mr. Bierl and farmed by his son-in-law, Henry Vinduska, a few miles south, about five miles of terraces have been constructed on 240 acres. Total cost of the work so far has averaged about \$8 per acre, Mr. Bierl stated. They purchased their own equipment and following the laying out of lines by the soil conservation supervisor, they have been handling their own conservation program.

Mr. Bierl told this reporter that he purchased the north 230 acres in 1919, paying \$285 an acre. Much of the farm was in timber and today a fine herd of milk cows peacefully graze on an excellent bromo pasture that was only a few years ago a wood lot. This timber was cleared by the Bierls during the Burlington Shop strike here in 1922. Joe Bierl reported many shop men were told to come to the farm and they could have the wood for clearing it out. Dozens of them showed up, glad for the opportunity to gather in some fire wood.

It was a balmy day when the Journal reporter visited the Bierl farm. The birds were singing, the air was scented with fresh turned earth and the odor of apple blossoms tingled at your nostrils. Frank Bierl looked far into the distance as he sat there on the seat of that big "dozer". "Spring. It's the best time of year on the farm."

Yes, we heard him say it.

Priests Attend Golden Jubilee

Wednesday Rt. Rev. Monsignor George Agius and Father Edward C. Tuckek, pastor of the Holy Rosary church, motored to Wahoo where they attended the golden jubilee of Monsignor Matthey Nemec, one of the long time priests of the Catholic church in Nebraska.

The celebration drew a large number of the priests from the Lincoln diocese to attend the services and to pay honor to their long time associate in the church work.
