Harry Bashus Laid to Rest At Oak Hill

Monday afternoon at 2 o'clock at the Sattler funeral home, 4th street and Avenue A, was held the last rites for Harry Louis Bashus, whose untimely death on Friday afternoon had brought such a deep sense of sorrow and regret to the community.

The chapel of the funeral home was filled by the relatives and friends of the departed from this city, Bellevue and South Omaha, where he had spent his all too brief years of life.

Rev. E. C. Williams, pastor of the First Methodist church of this city, was in charge of the services and his message brought consolation to the suddenly bereaved family and the friends.

The burial was at Oak Hill cemetery and was carried out in strict military form by Hugh J. Kearns post of the American Legion and Leper-Wolver post of the Veterans of Foreign Wars, with Commanders Howard Hirz and Al Nierste participating.

The pallbearers comprised cousins of the departed and boyhood friends, Leroy Bashus, Leonard Bashus, Edward Bashus, Jr., George Hogan, Kenneth Young, Stanley Czrek.

The color guards and color bearers were: Kenneth Dunlap, Walter Sikora, Charles Wolever, Raymond Harold, Don Rainey, Fred Herberster.

The firing squad comprised Robert Slavicek, commander, Eugene Krings, Dick Black, Edgar Kief, Dale Bowman.

The graveside services were conducted by Lloyd Behrends, chaplain.

The Auxiliaries of the two organizations participated in the wreath laying services, Mae Sedlak, president of the American Legion Auxiliary, Mrs. Sophia Wolever, district president of

the VFW Auxiliary conducting this service.

The flag was folded by Commander Nierste and Bill Williamson and presented to the bereaved widow.

The impressive service was concluded by the sounding of the soldier's last farewell by Donald Cotner.

Peru College Prepares for 83rd Year

Plans at Peru State Teachers College are in current progress for the opening of the eighty-third scholastic year of Nebraska's first college, on Monday, September 5.

Built on a tradition of sound professional training since its beginning in the year 1867, when the state was admitted to the Union, the school has maintained a high reputation. Peru State has long been known as the place where teachers became community leaders and where they came to hold their profession in high regard. Through the years, Nebraska communities have looked with pride to their Peru-trained teachers.

Under the Peru system of vocational, personal and educational guidance, work toward a Liberal Arts degree may be earned during the same time that a teacher's certificate is obtained.

This enables the graduate to offer his services as a professional teacher and at the same time he is eligible for further study in his chosen field. He may specialize in education, fine arts, health and physical education, language arts, practical arts, science and mathematics or social studies. This he may do in such a way as to teach the specific courses, or he may use this as a foundation to continue further study for other professions or occupations in which he would have "found himself" under the Peru system.

MOTOR THROUGH EAST

Mr. and Mrs. Herman Hennings and Harlan have returned from their trip which took them through Iowa, Illinois, Indiana, Michigan and into Canada. They report the crops in Illinois, Iowa and Indiana look very good but the weather was real warm.

They were very enthused over all the paved highways the above states have.
