Shrader Reunion Held Sunday, August 14th

The annual reunion of the members of the Shrader family was held on Sunday, August 14th at the pleasant home of Mrs. Georgia Creamer south of Plattsmouth.

Here the descendants of George W. Shrader, Jack Shrader, Zach Shrader and Joe L. Shrader, who had come to the new state of Nebraska at an early day, gathered to enjoy a day together and renew the ties of kinship in a day of feasting and visiting.

This year the reunion brought many of the members of the family here that had not been able to meet with the representatives of the Nebraska group. There were members from a great many states here for the event.

There were two groups of four generations of the family present, one of these being the only one of the Cass county Shraders left in the Jack Shrader family. Mrs. Belle Shrader, Healdton, Oklahoma, with son, Clay, granddaughter, Mrs. E. S. Flanory and great grandchildren, Berry and Bruce Flanory of Dillard, Oklahoma. Another of the four generation groups was that of Homer Shrader of Plattsmouth, represented by his son, Forest B. Shrader, granddaughter, Mrs. Marilyn Nutt and great granddaughter, Mickey.

There were a great many of the second and third generation groups present to enjoy the event.

Everyone came with well laden baskets of food that served to provide a fine picnic dinner, served in the beautiful surroundings of the home of Mrs. Creamer, together with loads of ice cream, watermelon and ice tea.

The time was spent in visiting and getting acquainted with the relatives from distant points and those attending the reunion for the first time.

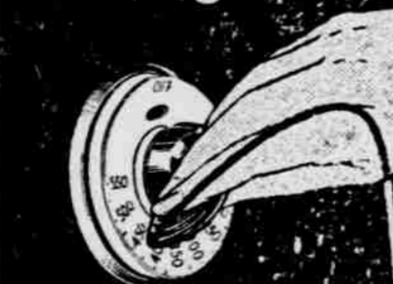

At the business session of the family, officers for the coming year were re-elected, comprising:

President—Mrs. Lulu Wolfe
Vice-President—Fern Gish
Secretary-Treasurer—Grace Bell

Mrs. Wolfe opened the meeting with the members singing "Little Brown Church in the Vale" and followed by the reports of business and family activities. The secretary-treasurer, Grace Bell, was unable to attend and Mrs. Velma Rea acted in her place. The regular meeting was closed with singing, "God Be With You 'Till We Meet Again."

The members spent the rest of the afternoon in taking pictures and talking over old times. The meeting in 1950 will be at the same place and it is hoped to have an even larger attendance.

FRIENDLY THOUGHTS

We should give friendly advice and direction to strangers as well as friends . . . to the unfortunate as well as the successful. Life's devious ways are full of crossroads. They should all be lighted with friendly smiles and helpful direction. Wherever there is sympathy, there exists understanding. There is also friendliness in all our business arrangements.
