

The Moral Basis for True Worship
Lesson for October 9; Isaiah 1:1-18; Jeremiah 7:3-7
Memory Selection: Isaiah 1:16-17

THE WHOLE OF LIFE proceeds upon symbolism. Language and mathematics and religion all use symbols. Words are the signs of thought, figures the signs of numbers, and form and ceremonies the means of worship. But when a symbol conveys no meaning—to the man who cannot read, to the man who cannot add two and two, and to the man who does not know the meaning of a religious symbol, symbolism is worthless. Isaiah makes it plain that God will abominate rites and ceremonies when they are nothing but a meaningless performance. Men must cleanse themselves and put away the evil of their doings when they come into the Lord's courts to worship. That they can do this is indicated in Isaiah 1:18. Sins like scarlet can be washed away when men truly call upon God. Jeremiah also urges the people to amend their evil ways and so come before God that he will look with favor upon them and enable them to remain in the land which he had given unto their fathers. Alas! they would not heed, and soon the nation fell into ruin—the people were carried into exile and the land laid waste. So may we beware of mere lip service and escape formalism, using the ritual of our worship, whether simple or elaborate, as the means of expressing thanksgiving, adoration, praise, and the sense of need in the presence of the Heavenly Father.

Other Bible citation include, "O, Jerusalem, was thine heart from wickedness, that thou mayest be saved. How long shall thy vain thoughts lodge within thee?" (Jeremiah 4:14).

from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. "The dream that matter and error are something must yield to reason and revelation. Then mortals will behold the nothingness of sickness and sin, and sin and sickness will disappear from consciousness. The harmonious will appear real, and the inharmonious unreal." (Page 347).

Can the Church help the world? Yes, definitely, but only by changing the people who are making the world the kind of place it is. It is the individual—Mr. and Mrs. John Q. Public—that the Church must change if it is to help in changing the world.

And that can be done in only one way. "If any man be in Christ" he is a new creature," says the Bible. The Church can make new creatures only by leading men to Christ and to faith in His transforming Gospel. We are here to help.

Going to get your \$2,064 bait back?

Your shiny new automobile—with prices averaging about \$2,064—has to get you a whole of a lot of use to justify its cost.

Winter wear is the worst bait-snatcher. It can strip your car of plenty of service... Unless you OIL-PLATE it!

1. Oil-Plating—a feature of patented Conoco Nth Motor Oil—performs a wear-preventing miracle by fastening a shield of special lubricant to working parts. OIL-PLATING can't all drain down—even overnight!

2. Always on Guard! Even when the fine lubricating oil itself isn't covering a part, OIL-PLATING is! It protects your engine against grinding "dry-friction" starts... from corrosive combustion acids... from sludge and carbon caused by wear.

3. Watch Out for Winter! The frigid months are the most dangerous months for these car-killers. New and older cars both urgently need Conoco Nth. Don't wait... drive yours in today and armor it against winter with Conoco Nth.
