

### Warren Tulene Returns Home

Warren Tulene, who has been visiting with his daughter, Mrs. George Iske, at Boise, Idaho,

for some time, has returned from the very pleasant outing in the mountain state. He reports that the condition in that part of the west have been very dry and causing some worry to the farmers and ranchers. While at Boise Mr. Tulene had the pleasure of a visit with Dr. R. P. Westover, head of the Veterans hospital at that place and a former Plattsmouth physician. Mr. Tulene has been busy since his return in looking after his farm near Dunbar, where they were placing some of their sealed corn on the market.

### Visitor Here From Kansas

Mrs. Arthur Hansen and Miss Margaret Moore of Murray were in Council Bluffs, Iowa, Wednesday, taking their aunt, Mrs. L. E. Joy, of Alta Vista, Kansas, who has been their guest for the past week to that city to visit with Mrs. Emil Hild, another niece. Following her stay with the Hilds, Mrs. Joy will visit at other points before her return to Kansas.

## Primary Held For Boys and Girls County

Plattsmouth high school is taking part in a program sponsored by the American Legion, as are the other high schools of the county. The students elect a student for each of our county offices. The boys and girls selected for these offices in all the schools of the county will spend one day, Wednesday, November 9th, at the county courthouse helping the regular county officers and learning all they can about our county government.

This project is sponsored by the American Legion and is being tried in fifty counties in Nebraska this fall, Nebraska being one of the pioneer states in this field of education.

The students of the school have been divided up into two political parties — the Federalists and the Nationalists. Students file for office and carry on campaigns with campaign managers, posters and speeches just as in regular county elections. The Juniors are the only students eligible to hold office — most of them being in Miss Whalen's American History classes.

Miss Schwab and her Senior American Government class have charge of the setup, and operation of the elections. In the primaries the judges were Sally Gaines, Donald Davis and Jennie Lee Spidell; the clerks were Marilyn Hodge and Lois Sporer. The election Commissioner is Miles Eloe.

The primary elections were held on Friday, Oct. 14th. The stage served as the polling place and the students voted during their study periods. The general election is to be held Friday, Oct. 21st.

The students selected in the primaries are as follows:

County Judge: Rita Fulton  
County Superintendent: Thomas Carneal  
County Clerk: Shirley Humerickhouse, Federalist  
County Treasurer: Richard Gopen, Nationalist  
County Assessor: Ross Abel, Nationalist  
County Surveyor: Willard Gunsolley, Federalist  
County Attorney: Dale Cockerill, Federalist  
County Auditor: Bruce Gold, Nationalist  
County Commissioner: Dick Tinscher, Federalist  
County Sheriff: Joann Horn, Nationalist  
County Clerk: Stuart Spidell, Federalist  
County Assessor: Wayne Rieke, Nationalist

Principal Miles Eloe believes that all the students, especially those actively engaged in the election will have a great deal of fun out of the project and at the same time will know much more about our county government and the duties of our county officers. They will have a much better idea of our county government than many of the voters of the county. Increased knowledge of government and the functions of the government

officials should serve to make the students better citizens and office holders in years to come.

### TO ATTEND GAME

Mr. and Mrs. Ray Story were visitors the last of the week in eastern Iowa where they visited relatives and friends at Dubuque and on Saturday were at Iowa City to enjoy the football game between the University of Iowa and Indiana.

## R. A. M. Honors R. C. Cook at Banquet

(Continued from Page One)

Honor, two of the highest honors in the York rite Masonry, these being presented by F. Plummer Martin, of Omaha, grand high priest of the grand chapter of Nebraska.

Mr. Cook made a very fine response to the demonstration of appreciation as expressed by the honors of his associates in the Masonic work.

The clarinet trio from the musical department of the high school gave two very beautiful numbers, the trio being composed of David Friest, Joan Ceel and Carol Rakow, the accompanist being Miss Tina Woster.

The address of the evening was made by Herbert T. White of Omaha, Grand Illustrious Master of the Grand Council of Nebraska. Mr. White made a very fine address on the evils of the day that are threatening our way of life, the growth and development of communistic teachings over the world, its danger to the United States. The address was one that left a lasting impression on the members of the party and awoke a realization of the need for watchfulness on the part of the citizens.

There were a large number of members from out of the city present for the evening, representatives being here from Weeping Water, Nebraska and Springfield. Grand chapter officers present were Grand High Priest F. Plummer Martin and William Chuda of Omaha, grand sentinel.

### Special Mission Services Sunday

Next Sunday Immanuel Lutheran church will observe its annual Mission Sunday with two services. Two interesting speakers have been invited to preach the sermons. The Rev. A. O. Fuerbringer, who is president of Concordia Teachers College in Seward, will speak in the 10:30 service. The Rev. L. M. Doctor, who recently accepted a pastorate in Cedar Bluffs, will speak at 2:30 in the afternoon. The members of the congregation will be host during the noon hour to all our interested friends and neighbors attending these services.

Mr. and Mrs. D. M. Clifford, Mildred Fischer, Dick Henningsen and Helen Smetana visited with Arthur Warga at the Veterans' hospital at Lincoln last Sunday. Art has since been transferred to Fitzsimons hospital at Denver.
