

The Suffering Servant
Lesson for November 20: Isaiah
53:1-12

Memory Selection: Isaiah 53:4

THE SHEDDING OF BLOOD and suffering for others has an important place in the Old Testament and prominent place in the New. Of both the Old and the New it is written: "Without shedding of blood there is no remission." In ancient times sacrificial beasts were laid upon the altar. In the fulness of time Jesus was hanged on the cross.

In the temple the priest laid his hand upon the head of the slain beast, identifying the man who offered with the animal that was sacrificed. Now the sinful man, through faith in Christ, may claim the Lord as his sacrifice, be saved from sin, and have the power to overcome sin.

Centuries before Christ came, Isaiah wrote of the Suffering Servant of God who should save his people from their sins. In Isaiah 53 there is a striking prediction of our Lord's sufferings. Two significant facts appear—Jesus "was wounded for our transgressions," and it "pleased Jehovah to bruise him."

God gave his Son to suffer for men, that his law might be upheld, and a way of escape be made for those who believe. In the New Testament we read that "God so loved the world, that he gave his only begotten Son." Through suffering for others, Jesus won the victory over sin and death. Would you conquer through Him? "Believe on the Lord Jesus Christ, and thou shalt be saved."

ing the hours of services at St. Luke's will be as here announced. Canon Tyner wishes to say that he hopes that the late hours of service will serve as an invitation to many Plattsmouth people who have considered 9:00 a. m. too early. He also says that from the pulpit he will endeavor to give a message helpful to all, to find new light for daily life. Our relationship to God is not only one which results in producing goodness, but it connects us definitely with a power by which our weakness is changed to strength; our blindness to clear vision; our sicknesses to health, our poverty to wealth. Indeed our whole outlook upon life can be enlarged, both now and here. We may possess peace, and be freed from fear, we need not be carried away by the confusion and turmoil of world events. His sermon next Sunday morning will be on this subject: "GOD CAN MAKE OUR LITTLENESS INTO GREATNESS." YES, HE CAN! You are invited to come.

"Soul and Body" is the subject of the Lesson-Sermon which will be read in Christian Science churches throughout the world on Sunday, November 20, 1949.
The Golden Text is: "My soul longeth, yea, even fainteth for the courts of the Lord: my heart and my flesh crieth out for the living God." (Psalms 84:2).
Other Bible citations include: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death." For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit." Romans 8:1, 2, 5).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "In Science we are children of God; but whatever is of material sense, or mortal, belongs not to His children, for materiality is the inverted image of spirituality." (Page 572).
