

At The Cass County Court House

(Continued From Page One) An action was filed entitled Edgar C. Kief vs The Standard Life Association. The plaintiff in his petition sets forth that on May 1, 1948, Fern M. Kief, now deceased, purchased from the defendant company, an insurance policy for \$1,000, in which the plaintiff was named as the beneficiary. It also states that Fern M. Kief died at Denver on November 25th. The plaintiff asks judgment for \$1,000 and interest from the date of November 25, 1948, against the defendant. Attorney James F. Begley appears in the action for the plaintiff.

Mr. and Mrs. H. D. Royal of Lincoln were here Sunday to spend a few hours visiting with Judge C. L. Graves, father of Mrs. Royal.

Local Buyer Back From the Markets

C. C. Wescott, buyer for Wescott's clothing store, has returned home from Kansas City where he was in attendance at the "Heart of America" buyers' convention held at the Hotel Muehlbach.

Mr. Wescott found a large number attending the market, a fine showing of the various lines for the spring season. The colors for men's shirts and clothes will be more flashy the coming spring and summer, Mr. Wescott states. One of the new spring innovations in shirts for the spring season will be zipper shirts that will eliminate the buttons that often cause trouble when missing. Another of the new styles for men will be du-shirt that combines the sport shirt with a light weight jacket, it being arranged so that it can be worn as either. The lower portion is woven so that it can form a jacket if desired.

The prices will not show any lower levels at least earlier in the season, owing to the minimum 75c an hour law that has affected the clothing industry very much, all persons engaged in this line must receive this wage and making necessary the raise of the higher bracket skilled workers.

City to Make Repairs on Main Street

(Continued From Page One) Henningson Engineers regarding complaint on sewer assessment on 6th avenue in the south part of the city. The report of the engineer stated that the east end of the sewer on 6th avenue is too shallow to serve the house that sets on sub lot 1 of block 67. Stadelman's addition, this house is out of the sewer district however. The west forty-five feet of sublot 1, of block 67 and sub lot 1 of block 68 are included in district, the west end of the two lots showed that the sewer was deep enough to supply the property.

Police Judge Charles L. Graves gave his report for the past three weeks, showing that for the week of October 30th, there had been four arrests and fines and costs of \$27.75; for the week of November 6th, two arrests and fines and costs of \$18.25; for the week of November 13th two arrests and fines and costs of \$18.50.

Councilman Arn called the attention of the council to the fact that traffic signs were needed on Chicago avenue, as the mayor, to whom this matter had been referred, was not present, it was moved by Councilman Woster that the streets, alleys and bridges committee be authorized to secure signs for use on the avenue. It was suggested that the signs on the south approaches of the avenue give warning of slacking speed, that in the vicinity of Oakmont and on north the speed be placed at 25 miles an hour as provided by the city ordinance and that the street be patrolled.

Councilman Arn reported that on Wintersteen hill residents had raised funds for rocking the street near the school house and that the city had placed in two intersections. Along other parts of the street on the hill the residents had not raised the amounts for the rock.

"Sadie Hawkins"

Wednesday was "Sadie Hawkins" night at the club rooms of the Veterans of Foreign Wars, a capacity crowd filling the club rooms for the very entertaining evening of fun and entertainment.

There was an exceptionally large crowd of costumed guests present, in fact all "Dog Patch" was represented in the array of male and female costumes seen on the floor.

The competition for the prizes was very keen and made the task of the judges difficult. In the awards the first prize was awarded to Donna Burk as the "Wolf Girl," the second prize to Mr. and Mrs. Dale Bowman who were dressed as the "Sack People."

The ladies of the Auxiliary had arranged a box supper as a part of the evening entertainment, the bidding was quite keen as the various boxes of good eats were offered to the members of the group.

Dancing was enjoyed for the remainder of the evening.
