BEER DISTRIBUTORS MEET THIS MONTH

The annual meeting of the Nebraska Beer Wholesalers Association will be held in Omaha on January 20-21. These Nebraska businessmen come from all over the state—from Scottsbluff to South Sioux City and from Chadron to Falls City.

As an important segment of the brewing industry these men are sincerely interested in improving tavern operations since their success and their prosperity depend on the success and stability of the retailer. The whole brewing industry extends best wishes to the Nebraska Beer Wholesalers Association for a fine annual meeting.
