## Will Governor's Hat Come to Cass County

Lincoln, Nebr.—Like to wear the Governor's hat—for keeps? Then join the March of Dimes in a BIG way! So said R. G. Gustavson, State March of Dimes Chairman, Wednesday.

"The individual or organization making the largest contribution to the March of Dimes in Nebraska during the present campaign will receive, for permanent possession, Governor Val Peterson's ten-gallon Stetson," the state chairman said. He added that it was now tentatively planned to announce the highest competitors and the winner at the Missouri-Nebraska basketball game at the University of Nebraska Coliseum Monday night, February 6.

"Some weeks ago Governor Peterson, together with governors throughout the country, gave a hat to the National Foundation for Infantile Paralysis headquarters for use in taking collections for the March of Dimes. Governor Peterson gave one of the ten-gallon type 'because,' said he, 'they need one that will hold a lot of money this year.'

"The hat served its purpose at National Headquarters in getting the campaign off to a good start and is being returned to continue its good work in Nebraska, State March of Dimes Headquarters announced.

"Those wishing to compete for permanent possession of the Governor's hat may make their contributions to their local March of Dimes organization or send it directly to the State March of Dimes Headquarters, 712 Sharp Building, Lincoln. In either instance, credit will be given to the county from which the contribution originated, the State Chairman said."
