**THEY LOOK ALIKE!
THEY FIT ALIKE!
THEY ARE ALIKE!**

If your John Deere Equipment needs parts replaced, you'll find it pays to replace them with only *genuine* John Deere Parts.
Why? Because each John Deere Part is the identical twin of the part built into your equipment. It's made from the same high-grade materials . . . from the same patterns and dies . . . with the same quality workmanship as was the original part it replaces. *Genuine* John Deere Parts are made to fit right . . . to last longer.
Check over your John Deere Equipment now. Get it set to go when the next working season arrives. Place your order with us for *genuine* replacement parts for your John Deere Equipment the next time you're in town.
