(Opal E. Wallick)

Friday evening the last home game was played between Pappillon and Weeping Water with a win credited to the host team of 34-32. Second team romped around to a winning score by chalking up a 30-25. After the first five minutes play the crowd was too hysterical to

keep score. Five minute plays were all the "oldtimers" could take, at one time. They used all the techniques of football, hockey, track and wrestling with no holds barred. More power to you fellows but, oh those aching muscles the next day.
