**Convict Keeps Cat**

BOSTON, (UP).—A Lynn man serving an 18-20-year term in state prison for armed robbery has a Persian kitten for a pet. Eugene A. Budd was given permission to keep the cat, which was given him by Dr. Miriam Van Waters, superintendent of the Framingham Women's Reformatory.

Originally there were four months between presidential elections and the inauguration to allow for slow methods of communication and transportation.

## Be Generous to RED CROSS

When the Red Cross representative calls on you this month, please be generous.

These civic-minded persons are donating both their time and money to this worthy cause.

Among your local business men who are helping the Red Cross drive this year are many tavern owners.

These citizens are always interested in taking part in any worthwhile community activity.

So let's all put our shoulder to the wheel and make this current drive a real success.
