

**REV. ROBERT H. HARPER**  
*Hosea Reveals God's Forgiving Love.*  
Lesson: Hosea 11: 1-4, 8-11; 14: 4-9.  
Memory Selection: Hosea 14: 4.

**IN THE CHILDHOOD** of the race, God had called the Israelites out of Egypt, and his treatment of them had ever been loving and merciful, even when they went after strange gods.

The heart of God yearned over the sinful people in the time of Hosea when their destruction by the Assyrians was imminent. The wretched people were scattered throughout the provinces of the Assyrian empire and the Ten Tribes of Israel disappeared from history. Some suppose they were swallowed up by other races.

Morning service at 11 a. m. "Soul and Body" is the subject of the Lesson-Sermon which will be read in Christian Science churches throughout the world on Sunday, May 21, 1950.

The Golden Text is: "My soul, wait thou only upon God; for my expectation is from him." (Psalms 62:5) Other Bible citations include, "If ye, then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God. Set your affection on things above, not on things on the earth..." When Christ, who is your life, shall appear, then shall ye also appear with him in glory." (Colossians 3:1, 2, 4).

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Unless the harmony and immortality of man are becoming more apparent, we are not gaining the true idea of God; and the body will reflect what governs it, whether it be Truth or error, understanding or belief, Spirit or matter. Therefore "acquaint now thyself with Him, and be at peace." (Page 324).
