Charged With Reckless Driving

Everett A. Mowrey, Omaha, was booked here the past week by Sheriff Tom Solomon on charges of reckless driving, after he had been involved in four separate accidents.

The man was traveling north on highway 75 and witnesses stated that Mowrey, who was towing a car with a small wrecker, was traveling in the wrong lane of traffic from Nebraska City to Plattsmouth.

Mr. Mowrey stated to the sheriff that he was hard of hearing and did not hear any of the four impacts.

No one was injured in the accidents although the cars were badly damaged.

Saturday morning Mowrey appeared in county court and changed his plea from not guilty to guilty. Judge Peck gave the defendant a fine of \$10 and costs.

Melvin Todd Speaker Before Civic Body

(Continued from Page 1)
was purchased by the consumer, caused by paying increasing costs of processing and marketing, which cost is added to the meat when sold to the customer. Wages, cost of processing, handling by freight and other expenses made a wide spread of prices by the time it reached the consumer.

Mr. Todd also made a strong plea for aid in soil conservation, to keep farms of Nebraska and Iowa from losing their rich top soil. He also urged what has long been argued—use of livestock on the farm, pointing out the difference between a strictly grain farm and one where grass and cattle are made a part of the farm program.

In talking of farms, the speaker deplored the fact that many city landlords owning farm land, were not co-operating with tenants as they should, that farms and farming practice suffered as a result.

Mr. Todd, speaking as king of the King Korn Carnival, made some very fine suggestions to the future handling of events. One was a greater part should be given to livestock in the carnival program; another that an auction of baby beef of 4-H clubs be held at the carnival, and the city of Plattsmouth should have an adequate auditorium where meetings that are now held at other places could be staged here.

Chairman R. R. Furse of the auditorium committee, reported contacts had been made with an architect, that plans would be secured affording a base of definite action. It was desired to have Mr. Follock, donor of the land, proposed as a location, look over plans and make a formal tender of the land to the city council.

The committee on a new lighting system and widening Main street had a report ready for consideration of the Chamber of Commerce. This report was in favor of street widening and also installing of a new street lighting system. On motion of George Conis, seconded by Adrian Newsom, resolution of the committee was adopted and will be presented to the city council.

Guests were Mr. Stanley Olliverson of Albion, Nebraska, who accompanied his son-in-law, President C. C. Girardot, and Allan Hoover of the Plattsmouth Creamery Company were present at the meeting.

Funeral of William C. Grebe Held Friday

Funeral services were held Friday afternoon at 2 o'clock at the chapel of the Sattler funeral home. Fourth Street and Avenue A, for William Conrad Grebe, long time resident of Plattsmouth, who passed away suddenly Tuesday evening.

There were many of the old time friends and associates at the funeral home to take their last farewell of this long time acquaintance.
Services were conducted by Rev. Earl Conover, acting pastor of the St. Paul's Evangelical and Reformed church, bringing a message of consolation to the bereaved family.

Frank A. Clويد, well known soloist, sang "Face to Face," a favorite number of the departed. Mrs. Ferd Nolte was the accompanist for the song.
Burial was at Oak Hill cemetery in the family lot, with friends and business associates serving as casket bearers, Edward J. Meisinger, Rueben Meisinger, David Bradley, D. T. Stapp, Irwin Mathers and Sidney Cook.

ADDS EQUIPMENT

Something new has been added at the Naeve package liquor store on North 6th street, in the installing of a thirty-three cubic foot refrigerator. This will be used for the storing of wine, beer and liquor carried in stock. It makes the store one of the most complete in this part of the state.

Louie claims there is nothing too good for Sixth street and he is doing his part.
