Seeking Nomination  
Second District

August Stohman, Jr. is seeking the nomination as County Commissioner in the Second District.  
I am acquainted with the road situation and the water-fall in the county and realize that a change must be made to keep the roads in the best possible condition and the water within its course of travel so that it does not cross the roads and fields before getting to the bridges and culverts.  
I will see that all roads are properly worked and maintained on a scheduled basis — not only in one section of the district, but all.  
I will attempt to reinstate Road Overseers and Precinct Assessors.  
I will, to the best of my ability, perform the duties of the office, cooperate with all county employees, and serve the taxpayers by keeping all county expenditures at a minimum.  
Your support and your vote will be greatly appreciated at the primaries Aug. 8th on the Republican Ticket.
