No. 1332—Aug. 3, 10, 17, 1950.

NOTICE OF ELECTION
Notice is hereby given that a petition for the formation of a drainage district organized by land owners pursuant to Sections 31-401 to 31-450, Revised Statutes of Nebraska, 1943, has been filed in the office of the County Clerk of Cass County, Nebraska, wherein the boundaries of the proposed district are as follows:

Beginning at the Southwest corner of Section 31, Township 13 N., Range 14 E. of the 6th P. M., thence South to the right-of-way of the C. B. & Q. R. R., thence Southeast along said right-of-way through Sections six (6) and seven (7) to a point in Section eighteen (18) where the Dock Road crosses said right-of-way. Thence along the North side of said road to the steep bank of the Missouri River in Section Seventeen (17), thence North along said bank through Sections seventeen (17) eight (8) and six (6); thence west along the North line of Section Six (6) to the place of beginning, and that an election will be held at the Pumping Station of the Plattsmouth Water Works on the 22nd day of August, 1950 between the hours of 8:00 o'clock A. M. and 6:00 o'clock P. M. on said date upon the question of the formation of a district and the election of a Board of Directors consisting of three members to take office contingently on the formation of said district and that at such election each person owning land within said boundaries may cast a vote for each acre of land hereafter for each plat of lot which he may own or have easement in, and that any corporation, public, private or municipal, own or having an easement in any lot or lots may vote such election the same as any individual may. Dated this 1st day of August, 1950.

GEORGE R. SAYLES
Cass County Clerk
No. 1334—Aug. 3, 10, 17, 1950.

NOTICE TO CONTRACTORS
Sealed bids will be received at the office of the Department of Roads and Irrigation in the State Capitol at Lincoln, Nebraska, on August 24, 1950, until 10:00 o'clock A. M. and at that time publicly opened and read for SAND GRAVEL FOR SURFACING and incidental work on the PLATTSMOUTH WEST Patrol No. 11070 State Road.

The approximate quantity is: 540 Cu. Yds. Sand Gravel Surface Course Material. The attention of bidders is directed to the Special Provisions covering subletting or assigning the contract. Compliance by the contractor with the standards as to hours of labor prescribed by the "Fair Labor Standards Act of 1938" approved June 25, 1938, Public Law No. 718, 75th Congress, will be required in the performance of the work under this contract. The minimum wage paid to all skilled labor employed on this contract shall be one dollar and five cents (\$1.05) per hour, except that a minimum wage of one dollar and twenty-five cents (\$1.25) per hour shall be paid to:

Crane Operators
Dragline Operators
Power Shovel Operators

The minimum wage paid to all intermediate labor employed on this contract shall be ninety-five (95) cents per hour. The minimum wage paid to all unskilled labor employed on this contract shall be seventy-five (75) cents per hour. Plans and specifications for this work may be seen and information secured at the office of the County Clerk at Plattsmouth, Nebraska, or at the office of the Department of Roads and Irrigation at Lincoln, Nebraska. The successful bidder will be required to furnish bond in an amount equal to 100% of his contract. As an evidence of good faith in submitting a proposal for this work, the bidder must file with his proposal a certified check made payable to the Department of Roads and Irrigation in an amount not less than fifty (50) dollars. The right is reserved to waive all technicalities and reject any or all bids.

DEPARTMENT OF ROADS AND IRRIGATION
F. H. Klietsch, State Engineer
Geo. R. Sayles, County Clerk, Cass County
No. 1328—Aug. 3, 10, 17, 1950.

Murdock
Mrs. Florence McDonald, Correspondent
Mr. and Mrs. Lacey McDonald left Thursday afternoon for Chicago where they will spend several days at the home of their daughter and husband and new grandson. Mr. and Mrs. Otto Eickhoff of California arrived Friday to spend several days visiting friends and relatives. Mr. and Mrs. Merie Reickman are the proud owners of a new Ford.

Mr. and Mrs. Robert Stock and Mr. and Mrs. Arlo Stock were Lincoln shoppers on Monday. Mr. and Mrs. J. H. Boyd and relatives from North Bend and Iowa visiting them on Sunday and Monday. Mr. and Mrs. Walter Stroy and family of Oregon are visiting relatives here this past week. Mrs. Alvin Nietzel has been having several quiltings this week. Mr. and Mrs. Buzz Gakemeier returned from their trip the first of the week.

Mr. and Mrs. Edwin McHugh and Mrs. Atchison, Kansas are visiting relatives here. Word has been received that Mr. John Gustin of Wheatland, Wyoming has suffered a severe stroke.

Mr. and Mrs. Charles Long, Mr. and Mrs. Henry Backemeyer and daughters, Grand and Lucille left the first of the week on a trip to Colorado. Mrs. Kenneth Panko's mother and sister of Baltimore, Maryland, who have been visiting here for several weeks left for their home on Tuesday.

Our depot agent, Mr. Lenard Whitley was severely burned last Saturday and is unable to be at work this week. Mr. Hall of Exeter, Nebraska has taken over until Whitley is able to work. Mr. and Mrs. Milo Frisbe and children of Washington, who have been visiting here the past week left Thursday for their home.

MURDOCK VILLAGE BOARD MEETING
The village board met in regular session with the presence of all members. The minutes of the last session were read for information and the following bills were presented and allowed:

Cass County Extension Notes
August 5, 1950
1. Music Training Help: A music training school was held for music leaders and interested personnel for the Home Extension Club members. Songs were practiced for our next performance at the County Fair. Our next practice will be August 16. We plan to meet at the Christian Church in Weeping Water at 8:30 P. M. Anyone interested may come and join us for this singing. 2. Tour: The new home tour is planned for Tuesday August 15 at 1 P. M. We will meet at the Herbert Oehlerking home near Elmwood. Everyone is invited. 3. Tomatoes: The tomato is as American as "green corn", but it was not eaten as food in this country until long after it was commonly eaten in Europe. The Italians were the first Europeans to grow the tomato as a food—in about 1550. Not long after that tomatoes were also being eaten in Spain, France and England. It was not until several years after the Declaration of Independence that they were grown in this country. Early Americans planted the tomato as an ornamental plant. They were afraid to eat it, because they thought it contained a poison. Now, however, tomatoes are a major truck crop and hundreds of thousands of acres are used to produce our year-round supply of fresh and canned tomatoes and tomato juice. Sunlight Affects Vitamin C Content of Tomatoes—Sunlight is more important in determining the Vitamin C content of tomatoes than the variety, growing conditions, color of the fruit or any other factor. The Vitamin C content during a sunny season may be double that found in the same variety during a cloudy season. Tomatoes grown and ripened in the sun contain more vitamin C than those produced in the shade.

ENJOY TRIP
Mr. and Mrs. Art Uhe and family visited at Meadow Grove, Nebraska, at the home of Mr. and Mrs. William Koenig. Mrs. Koenig is a cousin of Mr. Uhe. While on their trip they also visited Rev. and Mrs. Avery Eastridge and family at Gregory, South Dakota; Mr. and Mrs. Silas Jacks, the former an uncle of Mrs. Uhe, and Mr. and Mrs. William Hansen and son at Dallas, South Dakota. They journeyed to the Black Hills and Badlands.

To the Voters of Second District
I wish to take this opportunity of thanking the voters of the second commissioner district for the fine vote given me at the August 8th primaries for the republication nomination. I trust that these friends will find me worthy of election in November. If elected, I shall strive to merit the confidence shown in me. Thanks again. Ray E. Norris, Avoca, republican candidate for county commissioner.

How Safe Is Your Home
Do you know that more accidents occur in the home than in any other place? Each year more than 32,000 persons are killed in home accidents and over half of all injuries happen in and about the home. These accidents can be classified under several headings: 1. Falls and broken bones. Are the stairs at your home clear of toys and other articles? Are the stairways well lighted? Other accident hazards are small rugs that slip easily; porch and stair railings that are insecure; play apparatus that needs mending, and using insecure ladders. 2. Burns and scalds. Are small children protected from tubs and kettles of hot water? Are matches kept from little children? Other hazards are lack of screens at fireplaces and rubbish not disposed of promptly. 3. Asphyxiation and suffocation. Are gas burners properly adjusted, and connections intact? Other hazards are garage doors not open when starting an automobile; and bedding not carefully arranged against the possible smothering of the baby. 4. Electric shock. Are electrical appliances in good condition and are worn and broken cords promptly discarded? 5. Cuts and infections. Are toys with sharp points and edges discarded and are sharp-edged tools kept away from small children? 6. Poisoning. Are medicines kept away from children? Are old medicines discarded and those kept clearly labeled and stored in safe places? 7. Gunshot wounds. Are firearms kept out of reach of children? Never kept loaded? Teach proper handling when other boys and girls use them. Keep your home safe.

A classified Ad in The Journal costs as little as 35c.
