Plattsmouth Journal

During the work of this Association in behalf of better roads in Nebraska, many statements nounced the distribution of alhave been made by those opposing the repairing, rebuilding and The Nehawka community had construction of state roads in from four to five inches of rain Nebraska. Many questions have provement of rural mail routes been asked by the public with

this Association. In order that the people of Nebraska may know the policy of work. Wednesday of Mr. and Mrs. Hall the Better Nebraska Association Pollard and daughter, Mrs. Em- and its members, with respect to roads, the following is a statement of policy which can leave no doubt of our position:

The 1949 Road Program, hawka at the Methodist church creasing gasoline tax and motor this Cass county is allocated Monday evening. Peggy Sand vehicle registration fees, was \$3.097.77 introduced E. P. Schroeder, state recommended and supported by The share of Cass county for patrolman, who gave a talk on this Association after study rural mail route improvement safety and showed three pic- demonstrated that with the in- is \$5,398.51. "Safety for Pedestrians," creased revenue the overall road "The Last Date" and "Bicycle needs in Nebraska would be im-

Of great importance to Neety. James Pollard showed some braska roads is the "farm to Nebraska, were in the city for very fine colored slides, which market" program which has the week end. They were guests he took on his recent trip to made much progress in getting at the John Libershal George 1947, generally known as the

Mrs. Annie Harshman is a pa- | Schroeder Road Bill, by which tient at Immanuel hospital in 1c of the gas tax goes to the counties for this purpose. The Better Nebraska Association recognizes the importance to farmers of access to main highways, markets, schools and churches, and believes that this legislation and this principle of rural improvement should be re-

tained. Of equal importance to Nebraska roads is the 1949 Road Program which will permit the repair, rebuilding and construction of our uncompleted and badly worn state highway system. This is being made posin gasoline tax and increased registration fees passed by the 1949 Legislature. Due to our use stock, produce, grain, implefrom the farm to the terminal markets and return, state roads the "farm to market" program. In 1949, for the first time,

city and village limits are provided to repair and rebuild city This Association approves the policy of sharing highway user funds on rural and state roads and city and village streets, because all three road systems,

a part of the registration fees

state highways, rural roads and city and village streets, must be planned and improved through cooperative effort. Everyone knows that road costs are much higher than ten years ago. The legislation passed in 1947 and 1949 is essential to these increased costs. Now all roads in Nebraska have had legislative consideration and financial assistance. These increases should remain the law and policy of Nebraska until prices road
