Legion to Pay Dues of Members Called in Service

The regular monthly meeting of Hugh J. Kearns post of the American Legion was held on Thursday evening at the lounge of the 40 & 8 club that has been turned over to them as a meeting place.

Members of the post voted to pay dues of members of the post that may be called into the armed service in the present national emergency. This will cover those that are at this time members of the post for 1950. If they are called the 1951 dues will be paid out of the post treasury, or if already paid members will be credited on future dues.

Chairman Richard Peck of the Americanization committee, told of the plans for the year ahead. He stated that the post would again sponsor Boys and Girls County, so successful last year. The County had not only been a great success locally, but many of the ideas had been adopted by the state department of the Legion.

The committee will also sponsor the oratorical contest in the local high school this year. Students to prepare original compositions on the constitution of the United States. Memorial day will also be on the program of the year to fittingly mark tribute to the departed veterans of wars of the nation.

Mr. Peck also urged the sponsoring of a junior boy to the Legion Boy's State to be held at Lincoln following the close of school.

Chairman Leonard Brothers discussed the past season of American Legion baseball. It was voted to allow the committee funds to meet their outstanding bills. The continuance of the Junior Legion and Midget ball teams next year was assured while that of a senior team will be taken up later by the committee.

Commander Don Wurga was presented with a hand turned gavel, made of native Nebraska walnut, that had been cut near the pioneer town of Rock Bluff. The gavel was made by Albert Olson, past commander and adjutant. The presentation was
