This Winter

Winter can be tough on you . . . but tougher on your car! Sub-zero temperatures slow your starts, cut down your power. Corrosive combustion acids—created by winter driving—cause extra engine wear that cuts down your gasoline mileage.

That's why it's so wise to protect your engine with the winter grade of new Conoco Super Motor Oil.

get
Super Protection!

Change now to the amazing new Conoco Super Motor Oil . . . proved by two winters' testing in the freezing cold of the Colorado and Montana mountains to be the great new winter wear-fighter! Conoco Super Motor Oil safely gathers up acids and harmful moisture . . . flushes them out of your engine when you drain!

Want instant starting, lightning pickup, surging power? Then drain and refill with the winter grade of new Conoco Super Motor Oil.

Protected!
