says HARRY BORCHERS of Henderson Nebraska in his 141 bu. yield field of Steckley 100R

"I planted this field of 100 R on June 15, 1949—the first year out of seed—used 100 lbs. per acre of 9-46-0 at first cultivation; the 130 lbs. of 33-0-0 on the third cultivation and three irrigations during season—and harvested 141 bu. per acre of Steckley #100 R. A Hybrid that in my opinion will be a tough one to beat—I'M STAYING WITH STECKLEY . . ."

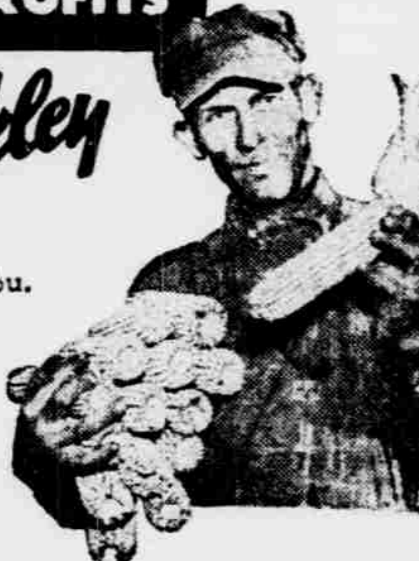

This was not an experimental test, but an actual field run yield. Let Steckley's big breeding program and "know-how" boost your average and profits for you this coming year.

R. Shannon and Mrs. C. Tefft were registrars. Assignments to house hostesses were given.

Rev. Loyd Shubert of Lincoln, chaplain gave the devotions for the afternoon meeting which began at 2:30. Rev. Dr. Carl A. Polson, moderator, was the speaker for the afternoon. Mrs. Elsie Worcester, President of the Woman's Fellowship, presided with an address given by Mrs. Ruby Coggins. At the Men's Fellowship meeting John Bender presided.

Mrs. Ruby Coggins, Mrs. Grace Orr, Dr. Lucius C. Porter and Dr. A. W. Taylor presented a Round Table discussion on the General Council Meeting at Cleveland. At 6:30 a fellowship dinner was held.

Tuesday evening, Miss Elizabeth Grone presented missions pictures from Guadalajara and Mexico, where Rev. and Mrs. Malcolm Hayes are stationed. A worship service was held, led by the host pastor, John C. Pryor, with the choir bringing a special anthem, featuring John Bender, a bass soloist. Charles V. Wallick sang "The Builder," by Charles Cadman. Using the thoughts brought out by the special music for a ministerial relief talk, Rev. Milton Laib gave the charge that "we owe the debt" for those who have helped to build, and with that in our hearts He will travel with us the "Jericho Road" for well He knows every step of the way. The evening address was given by Dr. Lucius C. Porter, returned missionary from China. He

presented some very new and startling thoughts, where heretofore have never been presented to our group in a mass meeting.

Wednesday the day opened with devotions by the chaplain with a Christian Education period following. Miss Gertrude Hanford presented the Pilgrim series and Mrs. Charles Sheldon, the Christian Education Workshop. Dr. A. W. Taylor spoke on "Working Together for Good and for God," followed by an address by Dr. Porter. At 11 o'clock Rev. and Mrs. John R. Lepke spoke on "Africans Are Eager" under appointment by the American Board for Service in Africa. The Sacrament of the Lord's Supper with Rev. John D. Gross and Rev. Wilbert Helbert, celebrants, was given with Mrs. Lepke at the organ.

A noon luncheon was served, followed by the annual business meeting at which time officers for the coming year were elected. Dr. Bender was elected as Moderator; Mrs. Henry Smith of Avoca was elected Assistant Moderator, and Rev. John C. Pryor held over his office as scribe and treasurer.

The success of the meetings hinged on many things besides the meetings themselves and this was proved most expertly by the fine meals which the Ladies' Association provided for our guests. Mrs. Eugene Day and Mrs. Floyd Hite were committee chairmen and their able assistants made sure our guests were served well. The music provided by the choir with the accompaniments by the organist, Miss Kathryn Ellis, were thoroughly enjoyed. Many were the comments received upon the new and smaller members of our choir. It was indeed a pleasure to have been a part of it. Add to this the splendid efforts of the hostesses and their hospitality extended to our guests and the individual floral offerings, one wonders if there was anything that anyone forgot.

Our next church host will be the Congregational church at Avoca next fall.

A dramatic film presented by the Congregational churches is to be shown next Tuesday, October 10th, at the Methodist church at 8 o'clock. "Second Chance," a feature movie, is the first to be made into movies for the church and for church use. It combines the technical skill of Hollywood with the highest calibre acting to be produced in religious films and depicts the life of Ed and Emily Dean, a full 80 minutes of top flight entertainment which leads to a full fledged faith. Prophetic that it should be by Faith Baldwin, an original story of the ways men and women miss the best things in life by being content with second best. Warmth, love, laughter, sorrow, and bitterness all come to light in this strange and stirring dramatic film. You will want the entire family to see it. Remember the date and the place. Next Tuesday evening the 10th, at the Methodist Church. Mark your calendar now so that you won't miss this movie.
