# TAX PAYERS!

Do you want efficient county government?  
Are you getting value received for your tax dollar?  
At present it costs more to operate the office of County Clerk in Cass County than in Otoe County. WHY?

The official records show that it has cost Cass County tax payers \$3971.69 more in a three year period, to operate their County Clerk's office than our larger neighbor Otoe County. Here is the record:

County	Date	Population	Cost	(including the salary of the clerk which is fixed by law and is the same in both of the Counties.)

OTOE	7-1-47 to 6-30-50	17,045	\$20663.71	

During the same period, salaries for Deputies and Clerks in the Cass County office was \$13942.49 in Otoe County it was \$9183.44. The salary item shows a difference of \$4759.05. WHY? Why does Cass County need more and expensive clerks than Otoe County?

## Paul E. Fauquet for County Attorney

The Cass County Democratic Central Committee is pleased to support Mr. Fauquet for the office of County Attorney for the following reasons:

### Fauquet is Qualified:

He has had SEVEN years of University training with two degrees from the University of Nebraska and is admitted to the BAR to practice in State and Federal Courts.

### Fauquet is Experienced:

He has been active in the law practice in Cass County since 1940. During five years of that time he served very creditably as our County Judge.

### Fauquet is Impartial:

During his time as County Judge, Mr. Fauquet demonstrated his ability to decide matters on THE LAW AND THE EVIDENCE without regard to personalities. He is not tied up with any special interests that would make it embarrassing for him to perform his duties as County Attorney. He has pledged that he will perform the duties of the office without prejudice as to race, color, religion, wealth or social position.

Mr. Fauquet is a family man and a property owner. What he has secured for himself in the way of education and advancement have all been by his own efforts and he is deserving of your support.
