Miss Mona Patterson who has been in the St. Elizabeth hospital returned here Sunday.

Mrs. Ray Smith returned here from Plattsmouth where she had been visiting relatives to spend several days here with her brother Frank Domingo and family. Frank has been confined to his bed upon doctor's orders after having become quite ill last Thursday night. Complete rest for several weeks will be necessary before any return to work may be anticipated.

Miss Barbara Keplinger was home last week end from Lincoln where she is a student at the St. Elizabeth hospital.

Mr. and Mrs. Charles Thompson of Albuquerque, New Mexico are parents of a baby daughter born Saturday, October 21st. The Thompsons have a son, Charles,

who was, we hear, delighted with the arrival of a baby sister. Mrs. Thompson is the daughter of Mr. and Mrs. Hugh T. Hanlan. We predict the "next stop" for the Hanlans as Albuquerque.

Mrs. Lillian Saxton arrived here from Pawnee City for several weeks visit with Mr. and Mrs. Murray Muller. Telft. The work was completed in a very short while, in fact so quickly, that an effort was made to pick up some of the packages that had been taken out by church members on Sunday. But these had all been taken care of. I'm sure that the president of the Cass County Tuberculosis and Health Association, Rev. John C. Pryor, is very grateful for the fine spirit shown by all who helped get a big job done. It is no easy matter to fold the entire county Christmas seal quota and get them ready for the next town's work.

The FHC Sunday School class of girls paid their "honor debt" to John Bender's class of boys, when they entertained them at a Halloween party Sunday evening. Games under the direction of Charlotte Stacey, Virginia Philpot and Joan Norris were enjoyed throughout the evening until such time as the refreshment committee, Evelyn Lauritzen and Ann Smith announced the "feed bag" ready. Sandwiches, pumpkin pie and cocoa were served. Decorations were in charge of Joanne Bender and Susan Hobson. Black and orange streamers festooned from the ceiling and floor columns. Jack-o-lanterns, black cats and owls with fall leaves and pine cones completed the decorative theme. Reverend John C. Pryor, Mr. Charles V. Wallick and Mrs. E. W. LaRue were guests. Twenty-eight were present. It's my guess that the girls will think long and hard before they challenge the boys to another attendance contest.

Many Tavern Owners Are Veterans, Too

In Nebraska, as in many states, a majority of tavern owners are veterans of World War I or II.

These citizens know the problems presented by minors in uniform near army installations, and service men on furlough—and are determined to cooperate fully in the public interest. To aid them, the United States Brewers Foundation is intensifying its educational work with a view to providing even more wholesome retail conditions, entirely acceptable to parents and the general public. This type of industry cooperation should be encouraged.
