WE ARE GOING TO SPEAK FRANKLY

There was one, and ONLY ONE truthful statement about Howard Buffett in the advertisement of the C.I.O. Congressional candidate last week. Howard Buffett did oppose the revival of Federal Crop Insurance. ALL of the other claims about Buffett's record in Congress were FALSE in whole or in part. Do not be deceived.

The farmers who want the Brannan Plan and C.I.O. control of our government oppose Mr. Buffett. The issue is clear cut! Vote for Buffett and a free America.
