Executive Director of the Boys Club of New York, says:

"Television is more than fun for boys. It is significant and true that since the inclusion of television in the Boys Club program, the Glee Club, Drama and Music Groups have improved tremendously in the number of boys participating. Television properly integrated in the over-all program of wholesome recreation will continue to make an increasingly valuable contribution by keeping growing boys informed, entertained and happy . . . essential factors in building character and developing personality."
