Dear Friend:

Ever since we were kids, Christmas has meant Christmas trees, candles, toys, candies, and much excitement. Today, it means a little bit more than that. What's more, it means the opportunity to express our thanks and appreciation for all of the good things that come our way.

We're thankful for good friends like yourself and for the privilege of serving you. The business you give us means much in our continued growth and progress.

So, sincere good wishes to you and yours for a real old fashioned Holiday Season.

Cordially yours,
Bill and Lucille
