ANNOUNCING A Special 7% Dividend

To Farmers and Stockmen Who Have Federal Land Bank Loans

We are pleased to announce the payment of a special 7% dividend, amounting to \$5,384, to members of this cooperative National Farm Loan Association. Checks are now being mailed to our more than 225 member-stockholders in Cass and Otoe Counties.

DIVIDENDS like this materially reduce the net cost of FEDERAL LAND BANK LOANS below the 4 per cent interest rate.

This is the SECOND DIVIDEND THIS YEAR. In June we paid a regular dividend of 5%.

To our knowledge, we are the ONLY major lender in the farm loan field that distributes earnings to the farmers and stockmen who make those earnings possible.
