**Annual Dividend**  
More than 225 farmers and  
stockmen in Cass and Otoe  
counties will share in a special  
7 per cent dividend now being  
paid by the Cass-Otoe National  
Farm Loan Association of Weep-  
ing Water.  
Harold C. Elliott, secretary-  
treasurer, announced that a  
checks totaling more than \$5,384  
are now being mailed to farm-  
ers and stockmen who have Fed-  
eral Land Bank loans through  
the cooperative association.  
He explained payment of the  
dividends was possible because  
of a dividend recently received  
by the association from the Fed-  
eral Land Bank of Omaha. The  
Land Bank is owned entirely by  
cooperating National Farm Loan  
Associations in a four-state  
area, he said, and the associa-  
tions in turn are owned by farm-  
ers who obtain Land Bank loans.
