New Law Controls Income Tax Filing

Many farmers and others will not have to file estimated income tax returns on January 15. as a result of a new law just signed by the president.
The new law abolishes the

penalty for failing to file a dec-laration of income by January 15, if the estimate of income flied last year is sufficiently correct so that it would not be subject to penalty under the tax Mrs. Cynthia Dawson spent the holiday season with her daughter, Mrs. Ray C.
