### Join MARCH OF DIMES

JANUARY 15-31

On Thursday Mrs. Lucy Lyle started on a trip to Seattle, Washington to visit her daughter, Mrs. Eldon Stark, and

granddaughter, Mrs. Darrell Pyle and their families. Mr. B. F. Wiles and Mr. Cairns of Weeping Water, formerly of Plattsmouth called on M. S. Briggs, and on Alex Miller on Wednesday forenoon.

The mother of Mrs. Dwight Clements arrived from Sheridan, Wyoming, early this week to assist in caring for the twins, Robert Lee and Richard Keith. Mrs. Vera Pratt had an interesting motor trip to Grand Island on Tuesday of this week. Her sister Mrs. Marion Sisco of Strassburg is the Director of the southeast district on the State Home Demonstration Committee. This committee was in session at Grand Island and the sisters were in attendance. They were privileged to hear the reports of three ladies who had been on the international trip to Europe. Mrs. Maxwell of Omaha had brought a collection of dolls in costume from Denmark and other nearby countries. The speaker had been one of the managers of a doll hospital in Omaha. The ladies returned by way of Hastings.

Mr. and Mrs. Raymond Ewald and her mother Mrs. Frank Gustin started on Monday on their vacation trip. This year they are traveling in a new direction for them. Their destination is Florida, and New Orleans will probably be visited also.

Honoring Mrs. Simpkins the former Mrs. Olson of Reading, Massachusetts, Mrs. Emily Gonzales entertained her and the neighbors, Mrs. Lewis Hollenbeck and Mrs. Lloyd Miller one day this week.

Mrs. Glen Nicklas and little sons are visiting her mother, Mrs. Williams and sister, Mrs. Schneider. They come from Wauneta, Nebr. After nearly seven years of service in the American Exchange bank here, the latter year as vice president, Orville Julian has resigned to accept a position with the Home State Bank at Humboldt. This is a promotion for Mr. Julian as he will have a chance of further promotion there. He is to take up this new work with a substantial advance in salary on Monday, January 22nd. He plans to move there when his property is disposed of here and a suitable residence found in Humboldt.

Mrs. Laura Stovall entertaining on Wednesday evening at a Stanley Brush and Products Co. party with ten ladies enjoying the entertainment.

Bluebird Club met with Mrs. Otto Stege on Tuesday afternoon, for the first meeting of the year. Mrs. Emily Gonzales gave an interesting talk about the pan-American union. She had maps and pictures for illustration and especially emphasized about the Latin-American countries. The work of the President of Argentina and his wife the noted Eva Peron was discussed. A helpful lesson "Marriages and Sleeping Equipment" was presented by Mrs. Newlin and Mrs. Leavitt. An offering of eight dollars was received for the March of Dimes fund Mrs. Fred Lake was a visitor and Mrs. Plybom became a new member. Assistant hostesses were Mrs. Vera Gerbeling and Mrs. Kreeckow. February meeting is to be with Mrs. Newlin.

Mr. and Mrs. Eldon Mendenhall and Marlyn and her cousin Lyle Dankleff visited relatives in Beloit, Wisconsin last week. They had the pleasure of seeing a ski tournament in the park while there.

Two birthdays were honored at the Elms Cafe on Saturday evening those of Mrs. Henry Wendt with her relatives present and that of Mrs. Frank Robertson.

Mrs. Stella McLaughlin has announced the engagement of her daughter Mary to Merlin R. Peterson of Dunbar. On Monday the annual John Deere Day was enjoyed here by a large group of farmers. At noon 175 people had a dinner of hot dogs, potato salad, coffee and donuts. Around one hundred more people came for the movies in the afternoon. The high school and the grammar grades came from school to learn from the pictures. Several places were visited on the screen and late developments in farming were shown with the John Deere equipment. The final picture was for enjoyment alone. It was sponsored by Clays Im-

Friday dinner guests of Mrs. Douglas and Mrs. Gerbeling were Mr. and Mrs. C. A. Bronn and Mr. and Mrs. Leavitt.

## Committee Is Named To Study Needs of Chamber

(Continued from Page One) secretary, lead the affirmative assault on the subject. Gold said that a central office, such as that of a permanent Chamber of Commerce secretary is needed to act as a coordinating office between all activities in the city. He cited instances in which a permanent secretary could have been of great help to individuals and groups interested in Plattsmouth.

In Gold's opinion, new industry can be obtained here, and through the activities of a permanent secretary and central office it can be brought to Plattsmouth. But Chamber members present at the Thursday night meeting are also interested in how to get more members to attend regular meetings. A review of attendance in 1950 showed that an average of between 20 and 25 members were at the meetings. Even on special occasions, attendance was weak, the figures show.

Among suggestions offered for increasing attendance were special programs with imported speakers, combined meetings with other groups, and an invitation to wives to attend. Henry Schneider also suggested that the Plattsmouth Chamber work with the Omaha Chamber on issues of importance to both. He cited instances in which such cooperation has proved fruitful.

In other action, the Chamber president named three division heads for 1951. They are Vic Schreiner, civic division; Stephen Davis, agriculture, and Bruce Gold, retail. They are to appoint committees and committee chairmen and report to the executive committees at its February 1 meeting. The Thursday night meeting was the first at which new officers presided.

Mr. and Mrs. Earl Puls and children of Manley were visiting in Plattsmouth Saturday.

an official flag with the scout emblem, its troop number and the name of our town on it. At the last meeting each troop voted to give 50c to the March of Dimes. Charlene Mayfield and Janice Switzer have been elected assistant patrol leaders.

Mrs. Marion Tucker entertained the W. S. C. S. Wednesday afternoon. She was assisted by Mrs. John Kettlehut, Mrs. Charles Bates, and Mrs. William Nixon. Mrs. John Hansen presided. Mrs. Floyd Joerger's theme for devotions was "Time for Decisions." Mrs. R. R. Anderson gave the treasurer's report. Mrs. Elmer Stoll and Mrs. Walker Power held a sale of articles and announced a blind auction will be held at the next meeting. Guests were Mrs. Wm. Becker, Mrs. Max Edgar, Papillon; Mrs. John Norris, Avoca; Mrs. Thurmond Nixon. Refreshments were served.

Melvin Sturm, who suffered a heart attack recently, is improving.

## Soybean Variety Not For Nebraska

LINCOLN—A soybean variety, now being sold for planting in Nebraska, is not adapted to the state.

Extension Agronomist J. D. Furrer of the University of Nebraska said the variety, Monroe, is very early maturing. It ripens about 10 days earlier than Hawkeye, which is the earliest variety recommended for Nebraska, according to Mr. Furrer.

Varieties which mature early do not yield as well as later maturing varieties.

## Plattsmouth State Bank Annual Meeting Is Held

(Continued from Page 1)

Prior to becoming associated with the Plattsmouth bank, Mr. Nielsen had been owner and operator of the local Gamble store for two years after coming to Plattsmouth. Before coming here he had been on the road as a representative of the Gamble Stores.

He, too, has not confined his interests to the banking business. He has been treasurer of the Plattsmouth Chamber of Commerce for several years, is a past president of the Ad Club, is a member of the Rotary Club, and has a special interest in Boy Scouts.

The bank also completed large scale remodeling during the past year, that has provided it with more efficient working conditions, in addition to providing for better service to its customers.

## Selecting Livestock Will Be Discussed

How to select livestock for breeding and feeding purposes will be emphasized at the farm operators' short course starting at Ak-Sar-Ben Field today and continuing throughout the week. There will be classes in dairy, beef and swine.

Another feature of the short course will be grain and hay drying. Other subjects include soil and fertilizers, field crop diseases, crop and livestock pests, and farm leases.

## Snow, Cold End January Thaw

Street department employees were busy today cleaning a heavy deposit of snow from streets in the business district. Although they had cleared the main avenues with the scraper Saturday and Sunday they were busy hauling away much of the excess snow today.

The snow, which was whipped by strong winds, fell Friday night and throughout the morning Saturday. City streets have been slick but are not considered dangerous.

Sheriff Tom Solomon disclosed Monday morning that no accidents resulting from snow and ice had been reported.

With the snow came an end to the warm spring temperatures that had dominated the early weeks of January. But while the recent cold wave was a bitter pill to swallow, extended weather forecasts call for a return to warmer temperatures.
