Hospital Quota For Local Legion Auxiliary Increased

The American Legion Auxiliary held their regular meeting Thursday afternoon in the lounge of the 40 & 8 club rooms with President Dorothy Janek presiding.

Reports were given by the various committees. Child Welfare, Sophia Wolever, gave \$15 to a Vets family that were in need of it. April is Child Welfare month and Mrs. Wolever is planning a program with the men at that time.

Ida Patton, hospital chairman, reported an increase in the unit's hospital quota due to the two new hospitals in the state and an increase in patients due to the Korean war. Our quota is nine washable men's robes and 15 glove pockets. These are used in the operating room to sterilize the rubber gloves. Miss Patton will purchase the robes and material for the pockets.

Cards have been sent to members who are ill and flowers were sent for the funeral of a member.

A card was read from Genie McGlasson, department hospital and rehabilitation director, stating that a volunteer hospital workers' school will be held at Veterans Hospital, Omaha, Nebr. for out state members March 1, 14, 15, 28 and 29 beginning at 8:30 a. m. Members wishing to attend should contact the president not later than February 26 so arrangements can be made at the hospital. One day is sufficient for any one member to attend.

The Legion and 40 & 8 are giving a party for members of the reserve air wing and their wives. Final plans are not complete. The commander, Don Wurga, asked if the Auxiliary would furnish the lunch. The unit voted to do this with the following committee in charge: Ruth Krings, Sophia Wolever, Deloma Mullenax, Vera Wurga. \$5 was sent to the Little Red School House.

Reports on the mid-winter conference were given by Ida Patton and Dorothy Janek. They brought back reports of meetings of child welfare and rehabilitation, also the national commander's speech Sunday afternoon. This was enjoyed by all present. The national commander asked all present to write to their law makers in Washington, D. C., insisting they vote yes on the universal military training bill soon to be voted upon. The unit's secretary was asked to write as the members of the Auxiliary are very much behind the bill.

For the membership drawing the name of Mrs. Tom Walling was called. She was absent.

Each member was asked to bring a member with them to the next meeting.

Refreshments were served by the following committee: Mrs. Mabel Slavick, Mrs. Les Neil, Mrs. Clyde Jackson, Mrs. James McMillan, Mrs. Walter Sikora.
