Cass County Extension Notes
Attention 4-H Dairy Club Members

Any boy or girl in Cass county enrolled in a 4-H dairy project or who will enroll in a 4-H dairy club in 1951 is eligible to purchase a good dairy calf at the annual Cooper Foundation 4-H dairy calf sale.

The sale will be held Saturday, April 21, at 1:00 p. m. at the 4-H building at the state fair grounds in Lincoln. Most of the calves will be purebred with a few excellent grades.

These calves were selected from some of the good dairy herds in Minnesota and will make a good foundation for a fine dairy herd. If interested plan to attend the auction and purchase an animal for your 1951 project. The calves will be sold at cost to the young buyers.

Sunday guests of Mr. and Mrs. Richard Pratt were their relatives from Lincoln, Mr. and Mrs. Howard Capwell, Miss Harriett Arnold and Miss Hattie Coe. Mr. and Mrs. Harry Arnold were there, too.

Octette Presents Sacred Concert

Many people of the county know and appreciate the personality of the Callahan Men's Octette.

All are relatives in some way. They are the brothers Reuben, Willard and Eldon Stock, Arlo Stock and Lyle Stock, cousins, two other brothers, Marquis and Verle and their cousin Silas Schallphof, and their brother-in-law, John Murdoch. Pardon us if this is not entirely correct.

They gave one of their good sacred concerts at the Methodist church on Sunday evening to a good sized audience and it was much appreciated.

Verle Stock was director and announced the numbers which were choruses, solos, and feature selections.

John Murdoch is the efficient pianist, and he accompanied on the accordion two of the octette selections.

Devotionals were lead by Rev. Louise Ward and Mrs. John Johnston played the preliminary selections on the organ.

UNSURPASSED
in the 1/2- to 2-ton truck field!

TALK about power! These great new GMC's are unsurpassed in horsepower in the 1/2- to 2-ton field - power to keep hauling years longer! But new engines are only part of the story.

From the rims up, these GMC's are truck-engineered to stay young throughout the uncertain years ahead. You get proof in feature after feature from individual models - things like wider Twin-Action hydraulic brakes, heavier axles and longer "pillow-action" springs.

Yet extra quality is standard GMC equipment. You pay no "extras" for such things as easy-turn steering with recirculating ball-bearing action, the Ventipane-controlled ventilation of the Weather-sealed "Six-Footer" Cab-Turbo-Top pistons that develop higher power without "knock" even when using standard-grade gasolines!

So come in. Select from the widest range of engine-body-chassis combinations, 9 smart new colors. Drive out in a rugged '51 GMC! You'll know it will take you farther, cost less to run - because it's built to last like the big ones!
