Widening And Resurfacing Of Roads Scheduled

(Continued from Page One)

which contractors will bid at a letting May 24th according to an announcement Wednesday by the State Highway Department.

The work will begin just south of the railroad tracks in Nehawka. The surfacing foundation will consist of a compacted crushed rock base course, 26 feet wide and 8 inches thick. On this foundation, contractors will have a choice of building a cold-mix bituminous mat, 3 inches thick and 22 feet wide, or a hot-mix asphaltic concrete surfacing, 2 inches thick and 22 feet wide. The low bidder will be awarded the work regardless of which alternate means of surfacing he proposes to use.

Highway Department officials consider the two types of surfacing comparable in quality. Just south of Weeping Water Creek a detour will lead west a third of a mile and south three-quarters of a mile, entering No. 34 a half-mile west of the regular road. The grading and graveling of this detour will be included in the contractor's work.

Majors, who went the route for Peru, gave up only four walks in his seven innings on the hill, but was the victim of a nine-hit attack. The Blue Devils also pilfered eight bases off the Peru hurler, who whiffed 13 Plattsmouth batters.

Special Family Week Observance Planned

In observance of National Family Week, May 6 to 13, the Methodist church will conduct a special "Family Night" program at the church starting at 7:30 Sunday evening, May 6. Theme for the observance is "Children Deserve Christian Homes."

Included on the special program will be Mr. Hudson of Omaha, who will show his collection of pictures taken in Europe while he was on a Christian Fellowship tour, and Mrs. Cleo Ann Nelson, sister of Mrs. John Rishel of Plattsmouth, will sing and provide accompaniment. The program has been accepted with much interest; other places where Mr. Hudson has shown the pictures. Lunch will be served by the adult fellowship class in the church parlors.

The church reminds families that every member of the family is invited to the special program.

Allen Family Back From Wyoming

Mr. and Mrs. Miles Allen have returned from a most pleasant trip from several weeks in Wyoming, Colorado and South Dakota. They visited two sisters of Mr. Allen at Lyons, Colorado, Mrs. Frank Benedict and Mrs. Ed Palmquist, then went to visit their sons, Johnny and Bennie at Upton and Moorcroft, Wyo., where they are engaged in the bakery business. They also were guests of another son, C. L. (Connie) Allen, who manages the Gillette Bakery at Gillette, Wyo. This bakery celebrated its formal opening on March 10th with open house from ten o'clock in the morning until six in the evening, giving residents of Gillette and trade territory an opportunity to inspect the new building, modern equipment, and meet the employees of this modern establishment. Mr. Allen purchased the bakery in November 1945 and since reports a fine business, growing yearly until at present he has six full time employees.

Mr. and Mrs. Allen also enjoyed a tour through the beautiful Black Hill country of South Dakota before returning home.

Mr. and Mrs. Robert Milasch returned to Plattsmouth Monday after a tour of the south and east, where they had spent several weeks.

Three Plattsmouth hurlers combined talents Wednesday to set Peru Prep down on three hits as the Blue Devils roared to their third straight win, 8-3. It was the second time this season Peru has bowed to the local team.

Merle Dasher, Dick Kalasek and Marvin Pierce went to the mound in that order. All three turned in good performances. Fifteen Peru batters went down via the strike out route.

Meanwhile Gerald Wood and Wayne Rieke led the nine-hit attack against Peru's Majors, starting and losing hurler. Both Wood and Rieke poled doubles in the attack.

Plattsmouth led the game in the fourth inning with a four run outburst that included three doubles. The other was by Stanley Cole.

Catcher Gerald Wood had a busy afternoon behind the plate, getting credit for 16 putouts, 15 coming on strike outs.

Dasher, the winning pitcher, set the Peru nine down with only one hit in the three innings he worked. He gave up three walks while whiffing seven. Dick Kalasek didn't give up a safe base knock, but yielded three free passes, while also striking out seven. In 10 innings Kalasek has given up only one hit. Marvin Pierce, seeing mound duty for the first time, gave up two hits, no walks, and struck out one in his one inning on the mound. Pierce is a south-paw.

Plattsmouth outfielders had a quiet afternoon as all putouts were made in the infield.
