

**The Gentleness of Christ.**  
IT IS NOT EASY to be gentle. Certainly few could approach the heroic gentleness of Christ. Nevertheless, the closer we aspire to get to Him, the more we must seek to emulate His spirit of understanding, compassion, and forgiveness. To be truly gentle, we must never consciously offend or humiliate another, even the most sinful.

**OUR CHURCHES**

**CHRISTIAN SCIENCE SERVICES**  
"Man" is the subject of the Lesson-Sermon which will be read in Christian Science churches throughout the world on Sunday, September 9, 1951.  
The Golden Text is: "As many as are led by the Spirit of God, they are the sons of God." (Romans 8:14). Other Bible citations include: "Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness: come before his presence with

singing. Know ye that the Lord he is God: it is he that hath made us, and not ourselves; we are his people, and the sheep of his pasture." (Psalms 100:1-3)  
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent with that Mind. He has been forever in the eternal Mind. God; but infinite Mind can never be in man, but is reflected by man. The spiritual man's consciousness and individuality are reflections of God. They are the emanations of Him who is Life, Truth and Love. Immortal man is not and never was material, but always spiritual and eternal." (Page 336).

**WESLEYAN METHODIST CHURCH**

**Elmwood**  
Mrs. Grace Plybon

Mrs. Ida Harley went to Plattsmouth on Sunday for a visit with her daughter, Mrs. Blanche Geschke for a few days and from there she plans to visit in the homes of her daughters, Alta and Verna, then on to live with her daughter, Mrs. Grace White. Mrs. Anna Beck is moving into the apartment she vacated at the Douglas home.  
John Wood is reported to be very sick at his home in Santa Monica, Calif. His sister, Miss Grace Wood left on Sunday to be with him there.

**Teachers Are Feted At Elmwood Friday**  
Friday was the pre-school teachers and patrons second annual day. At 12:30 a dinner was held in the Elms Cafe sponsored by the Lions club. In attendance were the members and their wives, the teachers, and the ministers and wives of the community.  
In the afternoon a session was held at the school assembly hall and another there in the evening. Dr. W. H. Morton of the University of Nebraska was the speaker both times. In the afternoon his theme was Education—Its Place in American Society. With his long period of work in this field he was able to trace the background and history of education in this state, and give suggestions for the future.  
A community picnic was held at the park between these programs.

**Mrs. Pratt Is Polio Victim**  
Mrs. Frances Arnold Pratt, wife of Richard Pratt, was taken to the Lincoln General hospital the latter part of the week with a case of polio. The disease centers in her throat. She spent a restful night Sunday.

**Applications For Deer Permits Heavy**  
Applications for 1951 special deer permits were expected to approach the 8,000 mark when a final counting was completed. The deadline for applications was Aug. 31. Applications post-marked with that date were accepted.  
In 1950 when 1,000 deer permits were issued, the Game Commission received 5,237 applications.  
The drawing to determine what 1,200 applicants will receive 1951 deer permits will be held in the East Senate chamber of the State House on Saturday, Sept. 15. The public is invited to attend the drawing.  
Numerous writers dwell in attitudes because they can't live on first stories.

**HUNTERS ATTENTION**

Many telephone wires are broken each year during hunting season by stray bullets and shot.  
When a wire is broken it usually means that someone will be without telephone service until the damage can be repaired. Such breaks often interrupt important calls too—possibly a call for help or a long distance message.  
That's why we ask hunters not to shoot at birds on telephone wires or poles. One shot may cause a lot of damage.  
We will appreciate it and we're sure the people whose service might be affected will too.
