To the people of Plattsmouth: How much clean recreation is there in this town for kids? Keentime! Cass Theatre! High school sports! No wonder kids get into so much trouble around here.

What's wrong with the lots where the old sale barn used to be? Not a thing. Why couldn't they be converted into a recreation center?

Half of the kids we know are just waiting for a chance to leave this town just for the simple reason there is nothing to do here.

Wouldn't it be worth the time, effort and expense to have a place for kids to go evenings and week ends to enjoy themselves and keep out of trouble.

Well, wouldn't it?
