Your Tavern Keeper Is a Good Neighbor

He has a home and family like you. He enjoys the same hobbies as you—the same vacations, the same entertainment, the same football games.

And, like you, he contributes generously to charities, and takes an active part in the life of your community. He operates a legal, respected business. He pays large taxes into your community and state.

Like all good businessmen, your tavern keeper is constantly seeking ways to improve his place of business. He is sincere in his cooperation with the brewing industry's educational program aimed at encouraging approved tavern operation. Through this program, he practices the latest and most modern methods of operation.

Yes, your tavern owner is a good neighbor. His cooperation in any civic endeavor should be encouraged.
