Blue Devils Seek Third Win Against Falls City

Plattsmouth's victory skinn of two straight games is imperiled this week as the Blue Devils prepare for a Friday night engagement with always strong Falls City.

Coach Merle Stewart's crew after knocking off previously undefeated Peru Prep 20-0 last week, may have to depend strongly on its defensive unit against the Richardson county crew. And that defensive team may get only part-time duty from Everett Markey, who was to have stitches removed from an injured hip at mid-week. Markey will make the trip, but may be used sparingly.

But the Blue Devils on a dry field may put together its most

effective offense yet this season against Falls City. Improving with every game, the running attack has shown exceptional promise in the last two engagements.

Hodge Eaton should be ready to go against Falls City this week and will be able to spell Jon Schuetz on offense and will strengthen the defensive backs. Tom Conis may get a chance to limber up his pitching arm this week too. Inclement weather has held down passing in most games this fall.

Jack Todd and Stanley Cole will be ready for duty at the halfback slots.

With Markey on the injured list, the starting line will probably see Wondra and Hunt at ends, Kruse and March at tackles, Newburn and Kennel at guards and Jerry Wood at Center. The team may be strengthened too, by the added experience which second stringers gained in the game against Peru Prep last week. Thirty players saw action in the Homecoming tussle.

Coach MacIntyre's Falls City crew has won two and dropped one in Nebraska competition this fall. Beatrice handed them their first Nebraska loss last week 34-0. Falls City holds wins over Tecumseh, 33-0, and Pawnee City, 45-6.

Blue Devils Rate Dark Horse Role In Conference

Wahoo is the only undefeated conference team in the East Nebraska Seven league as a result of last week's grid activity.

Wahoo took over the league lead by dumping previously undefeated College View 13-0. The Warriors now have a 2-0 conference record, while College View has a 2-1 record.

Coach Merle Stewart's gang with one win and one loss in conference play looms as the dark horse in the conference. Only College View holds an edge over the Blue Devils.

Ashland and Valley broke even in their conference tilt Monday night, battling to a 14-14 tie at Ashland, while Bellevue edged Blair 7-6. The loss dropped Blair into the cellar.

Another shake-up in standings will result after this week's grid activity. Ashland and Bellevue will meet at Ashland, while Blair will be host to Wahoo. Plattsmouth plays at Falls City in a non-conference game.

Standings

Wahoo	2	0	0
College View	2	1	0
Plattsmouth	1	1	0
Bellevue	1	1	0
Valley	1	1	1
Ashland	0	1	1
Blair	0	2	0

Eagle At Union Heads Six-Man Schedule Friday

Eagle and Union will share the limelight in Cass county six-man play this week as a one conference with each against no losses, share the league lead.

The game will give Eagle an opportunity to move into the Cass county conference lead, and will provide Union with a chance to move out of the cellar.

Eagle, Elmwood and Alvo with one conference win each against no losses, share the league lead. Eagle is the only team playing a conference foe. Union has already dropped two games in conference play, bowing to Elmwood and Alvo.

Meanwhile Alvo, ranking team in the state, will meet Liberty. Nebraska is slated to go against Talmage and Elmwood will be host to Dunbar.

Duck And Goose Season To Open Friday, Oct. 19

Duck and goose hunting in Nebraska gets under way Friday, Oct. 19. The entire state, except game farms, game reserves, sanctuaries and areas closed by Federal or State laws or city ordinances, is open to hunting.

The first shots of the 1951 migratory waterfowl season will be fired at twelve (12) o'clock noon on opening day. After the first day of the season, hunting hours are from one-half hour before sunrise to one hour before sunset.

Daily bag limit on ducks is five while the possession limit is ten. Both the bag and possession limit may include one wood duck. Mergansers, often called fish ducks, may be taken up to 25 per day. There is no possession limit on mergansers.

Five geese and brants constitute the daily bag and possession limit on geese. Included in such limit can be either two Canada geese including Hutchinson's or cackling geese, or one white-fronted goose, or one of each.

The bag and possession limits on coot (mudhens) are 10 and 10.

Louisville Seeks Conference Lead; Indians On Spot

Louisville has an opportunity to move into the lead in the Southeast Five conference standings this week, when the Lions are host to winless Humboldt.

Currently sharing the lead with powerful Syracuse, the Lions are in a position to take over the lead by downing Humboldt. They currently hold a 2-0 record in conference activity.

Syracuse romped over Table Rock 34-0 last week to climb into a tie with Coach Darrell Brandenburg's crew. Weeping Water is in third place with a win and a loss. The Indians will be pitted against the Syracuse eleven Friday night in their homecoming game.

Both the Louisville-Humboldt and Weeping Water-Syracuse games will be played at Weeping Water. Louisville has slated a Thursday night game. The other conference team, Table Rock will meet an outside foe.

Football Team To See "Jim Thorpe, All-American"

Plattsmouth high school football players will be guests of the management of Cass Theatre this afternoon, Thursday, at a special screening of "Jim Thorpe, All-American."

Howard Hinz said this morning that the theatre annually entertains the team and that selection of the football picture for the special screening should please the players. Hinz described it as an "ideal picture" for the football team to see.

Bowling League Opens Play With 10 Teams Entered

League play started at the Plattsmouth Bowling alleys this week, following an organizational meeting Thursday night. Ten teams are entered in the bowling league.

Sponsoring teams are Joe's New Way, Myers Grocery, V.F.W. Eagles, Harry's Bar, Jack and Elmer, Bowling Alleys, Plattsmouth Paint Store, Plattsmouth Journal, and Woster Shoe Store.

League play opened Monday with veteran teams, Joe's New Way and V.F.W., and Myer's Grocery and the Eagles. Tuesday night's play pitted Harry's Bar against Jack and Elmer and the Bowling Alleys against the Plattsmouth Journal. Plattsmouth Paint store and Woster Shoe Store meet tonight.

League play is scheduled on Monday, Tuesday and Thursday each week.

The teams will be competing for three trophies to be awarded at the end of the season.

Road Limits And Loaded Gun Regulations Told

It pertains to the shooting of birds or animals, is that right-of-way constituting a public road, and between the fences and boundaries of private property. This includes both the main travelled portions of the highway and the ditches and shoulders in connection therewith.

The explanation represents the State Attorney General's most recent opinion on what constitutes public highway and shooting from a public highway at game birds and animals.

The Attorney General's office also confirmed a decision made earlier which states that "a shotgun with shells either in the chamber or magazine is considered loaded." And Nebraska's game laws specifically state that a loaded shotgun may not be transported in a car.

In past years, pheasant hunters were allowed to have shells in the magazine—but none in the chamber. So the road-side pheasant potters will find the going a little tougher while wardens will get the breaks.

The announcement comes at a time when nimrods are beginning to increase activity throughout the state. Rabbits are legal game at present and the squirrel season opened Monday.

Farm Bureau Unit Is Organized At Lewiston

Kenneth Bills, district field director and Randall Paris, county field director of farm bureaus, met with the farmers of the Murray and Lewiston communities recently to help organize an active farm bureau unit.

Merits of the farm organization, different departments and method of carrying ideas from local units to the national organization, were explained by Mr. Bills.

Mr. Paris acted as chairman of the meeting and assisted with organizing the unit. Officers elected were:

Henry Hobscheidt, president; Robert Rea, vice-president; Charles Spangler, secretary-treasurer; Art Hansen, legislative chairman; Raymond Lancaster, membership chairman; and Grace Bell, news reporter.

The group selected the name, "Lewiston Farm Bureau." The group will meet the 4th Wednesday of each month and lunch will be served at each session. The next meeting will be held October 24th at the Lewiston Community Center.

Farmers desiring to join the unit are invited to bring the family to the October meeting.

At the close of the organizational meeting, Mr. and Mrs. Paris served donuts and coffee. Mrs. Ray Creamer and Mrs. Greedy Bell volunteered to serve at the next meeting, when a schedule will be made up.

Attending the meeting were Mr. and Mrs. Ray Creamer, Mr. and Mrs. Art Hansen, Mr. and Mrs. Frank Cottingham, Harley Cottingham, Mr. and Mrs. Henry Hobscheidt, Louis Sack, Mr. and Mrs. Greedy Bell, Mr. and Mrs. Chas. J. Martin, Mr. and Mrs. Hal Hansen, Mr. and Mrs. Charles Spangler, Mr. and Mrs. Robert Rea, Mr. and Mrs. Grant Detering, Miss Margaret Moore, Mr. and Mrs. Randall Paris and Kenneth Bills.

Bond Sales During Defense Drive Reported

Walter H. Smith, chairman of the U. S. Savings Bond Committee for Cass County announced today that sales of Defense Bonds in the county for the first three weeks of the Defense Bond Drive totaled \$34,042.75.

At the same time, it was announced by Leland R. Hall, state director, that total sales in Nebraska were \$2,859,671.25, of which 67% was in Series "E" Bonds. The Drive is off to a good start in Nebraska, and with continued effort on the part of all, will be a success," Mr. Hall said. "The three objectives of the drive are: to increase Payroll Savings participation; to encourage regular savings through the Bond-a-Month Plan, and to increase the number of people who are buying Defense Bonds," he continued. "The Defense Program will be long and costly, demanding sacrifice and effort from all if we are to succeed. However, I believe that Nebraska people take the Drive slogan personally—Remember, Defense Is Your Job. Too!—and that everyone will do his part. Nebraska's record of being first in per cent of gross income invested in U. S. Savings Bonds four years out of the last five is proof that our people realize their responsibility and invest their savings where it helps them and their country." Hall concluded.

UNUSUAL TOURNIQUET

SINTON, Texas.—Hospital attendants were astonished when Henry Machade, farm worker, walked into the hospital with a copperhead snake wrapped around his hand. The man told them the snake had bitten him on the hand and he had killed it and used it as a tourniquet. He was in good shape after receiving treatment.

PORTLAND, Me.—From a Freeport farmer, the county agricultural agent, W. S. Rowe, received this request: "Please send me a spray bulletin for apple trees. Also would like some sunshine."

HAS FAITH IN CROPS

LAWTON, Okla.—A Lawton used car dealer has faith in this year's crop prospects. He advertised that grain farmers with good bill-paying records can buy "used" 1949 model cars with no down payment. Come in and get 'em, he offers, and pay when the harvest is in.

Shippers Sell Top Cattle, Hogs

Cass county shippers with high-selling livestock at the Omaha market last week included Boedeker & Cottingham with 37 fat heifers weighing 922 that topped at \$38 and Mel R. Todd with 19 steers weighing 1,137 that sold at \$38.

Also with high selling livestock was Alvin Horn with 10 hogs weighing 216 that topped at \$22.50. Boedeker and Jacobsen had 22 steers weighing 1,019 that sold at \$38.25.

Senator Raps Housing Delay

Senator Johnson of Texas recently complained there have been "serious delays" in designating critical defense housing areas. He said it may be six to eight months before requests of about two hundred communities for this rating are cleared and asked how "a bumble bee" could be put under some federal agencies.

Once an area is designated as critical, it is entitled to government aid designed to spur building of homes for defense workers.

Senator Johnson is chairman of the Senate preparedness subcommittee which has issued two reports on rent gouging and substandard housing near expanded military establishments.

The thoughtless pedestrian and the careless driver would think the same of each other if they ever stopped to think.
