### Your Tavern Keeper Deserves Your Praise!

The tavern keeper in your community is to be commended for his efforts to reach a still higher level of tavern operation.

His efforts are multiplied by the hundreds of others throughout the state who constantly seek to improve and modernize their places of business.

For more than 12 years, they have earnestly cooperated with the brewing industry's educational program aimed at encouraging approved tavern operation.

Today, Nebraska tavernmen have the reputation of operating places which rank high among the nation's finest—places where citizens may relax in pleasant surroundings.

Nebraskans appreciate these sincere efforts, and extend a vote of appreciation for the progress made so far, knowing that even higher goals are set for the months ahead.
