German Youths Get Priority In English Class

Mrs. John C. Pryor, Mrs. R. C. Porter and high school students are to assist in teaching the English language, reading and spelling to the newly enrolled German speaking boys, Erick and Ewald Sender. Mrs. Pryor, who speaks German fluently, will be able to help the two boys speak the English language and to read much quicker because of her own knowledge of their language, while the others will assist and supplement her work.

Ewald and Erick both have the fourth grade room as their home room, but the former is a fifth grade student and the latter a third grade student. Miss Fern Dougherty, fifth grade teacher, has Ewald in arithmetic, while for the past two weeks Erick has been under the supervision of Mrs. E. W. Davis, fourth grade teacher. Mrs. E. W. Davis, sixth grade teacher, is teaching Erick the alphabet so that he recognizes them and also speak them with correct English pronunciation. Ewald already knows the alphabet and can understand a good many English words.

2 good ways to make housework EASIER

Whether you're digging into spring housecleaning or routine dish-cleaning you work easier and faster when automatic gas appliances help you.

Gas water heaters have the latest "recovery rate." Soaking clean hot water is replaced as quickly as you use it. There's no waiting for water to reheat. Daily performance and dependability is unsurpassed because gas water heaters are designed for long, dependable service.

For sunbath-treat and fluffly clothes in any kind of weather, just toss the laundry in your automatic gas clothes dryer. Ordinary washing, heavy tumble rugs and blankets come out breeze-blown fresh and ready to use. Gas dryers lead the way in economical operation. Cost less to install and operate for 75 percent less than any other dryer.

Here today... the style of '52

New '52 Henry J Vagabond

Smart, new edition of America's most practical, lowest-priced, full-size car.

Outside, it's a harmony of smart, new colors and exciting European lines; inside, it's richly clad in new and beautiful upholstery.

As for performance, it's definitely a car for the open road. Its Supersonic Engine eats up the miles, but scarcely touches the gasoline. It delivers up to 30 miles per gallon—with a new kind of flashing getaway that takes your breath away.

Take a demonstration ride in the '52 Henry J Vagabond today.

New '52 Kaiser Virginian

The first car to combine European smartness with tested and proven American engineering.

From its windswept grille to its dramatic new rear-mounted chrome-clad spare wheel, the Virginian is the last word in automotive styling today!

It has all the famous Kaiser-engineered exclusive features: the powerful and economical Kaiser Supersonic Engine; the greatest visibility in any sedan; the smoothest, surest ride, thanks to the lowest center of gravity in any standard car; the richest colors, smartest 1952 fabrics and appointments!

We suggest that you see it today at your Kaiser-Frazer dealer's.

See the Vagabond and the Virginian at your nearby Kaiser-Frazer showroom.
