"We've saved a lot of money with DODGE 'Job-Rated' TRUCKS"

says fruit packer FRANCIS HEIDRICH
Herman J. Heidrich & Sons, Orlando, Florida

"We're really sold on Dodge for all-round economy and dependability. Every one of our trucks has been replaced by a Dodge and the whole fleet is standing up in a way that sure saves us money."

"Dodge trucks certainly fit our job and keep costs down."

How you, too, can reduce hauling costs on your job

Here's a sure way to cut hauling costs on your job. Get a truck that gives you more mileage on gas and oil... that costs less for upkeep... that carries more payload. A truck like that will really save you money!

Owners of Dodge "Job-Rated" trucks enjoy the outstanding economy of trucks that are "Job-Rated"—engineered at the Dodge factory to fit a specific job. Because they're "Job-Rated," these trucks stand up better, save money.

Come in today for the complete economy story. Let us show you how a Dodge "Job-Rated" truck will cut your hauling costs.

Reduce costs with economical power—Dodge truck engines have four rings per piston, lightweight aluminum pistons, compression ratios as high as 7.0 to 1, and other economy values.

Reduce costs with low upkeep—You get such money-saving advantages as chrome-plated top piston rings, exhaust valve seat inserts, positive-pressure lubrication, and many others.

Reduce costs with bigger payloads—Because a Dodge "Job-Rated" truck has better weight distribution, it carries more load on the front axle. As a result, you can haul bigger payloads.
