--- Extension --- Notes

This And That in Agriculture
New Bulletins off the press and available at the County Extension office are EC 196 "Lectures for Better Farming," and EC 1274 "Garden Vegetables."

Profits in swine production are directly affected by the number of pigs per litter raised. Give these baby pigs the care and attention they need.

Its farming season and thousands of farm tractors will be cranked up and hooked onto farm machines. Farmers are urged to use all safety rules with diligence. Let's stop those nasty newspaper headlines, such as "Farmer Smith lost an arm, leg, or hand in a farm accident," by eliminating accidents. Observance of safety rules will avoid a high percentage of these accidents. The "Nehawka Grease Monkeys" 4-H Tractor club at Nehawka, led by Robert Orndorff and Harvey Baileer -- having a special club meeting on tractor safety. Power to you, boys! Invite the dads along to this meeting. In fact, as soon as all arrangements for the meeting are completed, they plan to invite the "Atomic Farmers 4-H Tractor Club" from Plattsmouth, led by Ken Weaver, as their guests.

The trouble with highly-preserved emotions is that they drop suddenly to a new low.

Mary gets a heel stretching exercise and her mother learns of little boys and girls who is helped by the Easter Seal fund. Mary, who is a spastic quadriplegic, which means she was unable to use either her arms or legs from birth, didn't sit up until she was 18 months old and could not talk until she was three years old. Now she is learning to walk at the age of four. She entered how to help her at the same time. Mary is one of the thousands the clinic a year ago, April 3, 1951.

Some of the men had not seen each other since playing their last dates together in 1932 and 33 and old tunes such as "Sweet Sue," "Dinah," "At Sundown," "My Blue Heaven," "Charminne," "Blue Skies" and others popular a quarter of a century of a century ago brought back many nostalgic memories.

The session was held at the home of Vandervorst, now a writer for musical magazines, and also a song writer. Between tunes, the friends recalled amusing incidents from dance dates they played.

Auto Revenue
Forty minute motorists will pay an estimated \$5,000,000,000 a year to local, State and Federal tax collectors, according to the American Automobile Association, which pointed out that new automobile taxes are being proposed every day.

Advertisers who want cheap advertising are usually the ones who say that advertising does not pay.

Pvt. First Class Edwin Bickett, who is stationed at Wichita Falls, Texas, called Mrs. Bickett Sunday evening.

FACE TOUGH PROBLEM
The toughest problem some kids face is that of learning good manners without seeing any.

Former Musicians Here Hold "Jam" Session On Coast

An unusual reunion of former Nebraskans, in the form of a "jam session," was held at Burbank, Calif., on March 30, when several ex-Plattsmouth, Nebraska City and Ft. Crook musicians were reunited after more than 20 years.

Occasion for the session arose when Maury Gold, formerly of Nebraska City, and now of Omaha, visited the west coast and was welcomed by his former band buddies with a "jam session."

Among those getting together were Ralph "Doc" Marshall, Lester Bonde, Maury Gold, Paul Vandervoort II and C. A. "June" Marshall, Jr. Charles Howard was also invited, but was unable to make the session due to being ill.

Also present were Mrs. Frances Marshall and Mrs. Bonde.

All the men present had played with each other in such bands as June Marshall and His Little Band; Speed Marshall and His Rhythm Aces; Van and His Band; Ross Nichols and His Coppers; The Hells Bells Band, and other dance orchestras popular in Plattsmouth and the surrounding territory in the late 1920's and early 1930's.
