Panama Is Difficult To Adjust To, Lt. Hild Says

Lt. LeRoy P. Hild writes from his temporary station at the Panama Canal Zone that "I hope to be getting your paper again soon. I sure have missed it over the period that I have been on the move."

Lt. Hild, home on furlough a few weeks ago, says "I am enjoying my stay down here very much. The country around here is mostly hills and jungles but there are a few places to go sightseeing. And there are also some sad looking places, but all are interesting, according to the lieutenant."

"I think it will take me a little while to get used to the climate down here. Right now we are between the dry and wet seasons. The temperature is around 80 degrees but the humidity is very high which makes the temperature seem a lot higher," Lt. Hild writes.

But it is the worst part of the season and brighter things are in store for Lieutenant Hild. In a couple weeks the rainy season will start, he writes. But by the time he gets use to it, Lt. Hild may be on his way to Greenland.

Its spring cleanup time. Take a look around the farmstead and buildings. These rainy days which happen along is a good time to gather up all debris, trash, paper, waste scrap metal, loose boards and discarded machinery. Do it before weeds grow up and hide this junk for you to later trip over. Clean farms are safer farms.

Congratulations to Harry Knabe family at Nehawka. Yesterday they were recognized by WOVTV as the "Farm Family of the Week" on April 25. The accomplishments of the Knabe family are too long to list. Harry attributes a great deal of his success to the start he got in 4-H club work, when he was a boy.

Congratulations are also in order to Marjorie Whipple, Tom Johnson, and Pease Stoddard, of Nehawka; Jack Todd of Murray, Mrs. William Zoz of Murdock, and Joan Norris of Weeping Water for winning 4-H club week trips to Lincoln, May 26-30. Their rewards for outstanding accomplishments in their 1951 4-H club work.

A county-wide program for everyone will be held Friday, May 2, at the auditorium in Weeping Water at 3:30 p.m. The program will consist of a play, music, child style revue and our speaker, Miss Nina Lambkin will present a health program concerning the child through adulthood. A spring tea will be the social part so plan to come early and enjoy your stay.

To the 8-18 year old Boy or Girl

Would you like to join a 4-H club? 4-H is for the boy or girl who would like to work and play with others. This is done through club projects. Talent is developed and you are taught more of the skills in your project work. Newly learned subject matter is applied through demonstrations and they learn quality through judging. At the same time the 4-H club member learns the true meaning of cooperation. This type of development should produce more useful world citizens.

If you are interested in joining a 4-H club, please contact the Extension office immediately.
