Permit Needed To Sell Seined

A bait vendor's permit must be purchased by anyone who plans to seine minnows for the purpose of selling them. This information was released by the Nebraska Game Commission in answer to many inquiries regarding minnow seining.

Bait vendor's permits are vailable from the Game Commission office in Lincoln at a cost of \$2.50.

Persons purchasing such permits can seine for minnows throughout the state with the exception of (1) below any dam, check, spillway or other artificial obstruction and for a distance of 200 yards below such obstruction in any stream of the state not closed entirely to seining; (2) the main channel of the Nemaha river and the Little Nemaha river and within one mile Murdock and Louisville, fol-lowing a pattern set by Platts-tributaries, and (3) the water closed entirely to seining as listout of contention for the Nebraska high school baseball All lakes and bayous of the

All lakes and bayous of the state are closed to seining by legislative law.

Those persons who plan to raise minnows to be sold as bait must obtain a private minnow hatchery permit. This permit costs \$5 and allows selling and the use of seines on the area used as a hatchery
