**Joe Grebes Of
Portland, Oregon
Are Guests Here**

Mr. and Mrs. Joe Grebe of Portland, Oregon, arrived this week from their home to spend a few weeks visiting with Mr. and Mrs. John Grebe.

Mr. Grebe is head of the Northwestern Iron Works, one of the largest plants on the west coast. The plant is engaged in shipbuilding and operating a general machine works.

It is expected that the plant will have a large amount of naval work in the next few months.

While here Joe is enjoying fishing in the Missouri river where his brothers have long been among the leading commercial fishermen of this section.

He reports that his brother, Con is doing well at Portland where he has resided for a great many years.

Personals

Mrs. Zulema Dye is at Louisville this week where she is working during the absence of Joe Zastera. Mrs. Joe Zastera, Jr., is helping out here while Mrs. Dye is gone.

Rex Young and Henry Thiele were in Syracuse on business Wednesday.

Miss Marie Fitzgerald, who has been ill at her home here for some time, entered St. Mary's hospital at Nebraska City for observation and treatment.

Returning home here recently after being at Methodist hospital at Omaha where she was undergoing treatment was Mrs. Bradley Fitzgerald.

Mr. and Mrs. Don Bowman of Bellevue were guests at the home of his parents, Mr. and Mrs. Max Bowman on Wednesday.

E. H. Wescott returned last week end from Michigan, where he had been visiting at the home of his daughter, Mrs. Helen Murdick and family.

Plattsmouth, Nebraska

**Plattsmouth Just
Short Of Select
Honor Roll Group**

Just 112 population increase prevented Plattsmouth from sharing a 1951 safety record with 747 other cities with 5,000 population or more.

For going through the entire year of 1951, without a single traffic fatality, 747 cities over the 5,000 population have won places on the honor roll of the National Traffic Safety Contest.

Six Nebraska communities, Alliance, Columbus, Falls City, Lexington, South Sioux City and York, all made the select list. The state had no cities over 10,000 population in the select group.

**Tecumseh Man
To Head V.F.W.
Sixth District**

Gilbert Florke of Tecumseh was elected Commander of the 6th V. F. W. district at the group's meeting held here Sunday. He succeeds Dale Bowman of Plattsmouth.

Other officers elected were Stan Sailors of Falls City, senior vice commander; Pat McDermott of Falls City, junior vice commander; L. A. Whipple of Nebraska City, surgeon; Bloom of Tecumseh, quartermaster; Nels Nelson of Bellevue, chaplain; and Veryl Tyler of Nebraska City, J. A. G.

The group also voted to hold the next district meeting at Papillion summer camp.

Guests from the state department included Leonard Owen, junior vice commander; and Wayne Rom, service officer. Guests from Norfolk were also among the 200 present.

Posts represented were from Bellevue, Papillion, Nebraska City, Falls City, Auburn, Syracuse, Tecumseh, Peru and Plattsmouth.

Notes**

This and That in Agriculture

Crop insects cause thousands of dollars worth of damage to farm crops every year. Yet there are several very beneficial kinds of insects. It should be of a great deal of value to crop growers to recognize "friend or foe."

A new 4-H club project has been added to the list recently. The project, "Entomology," offers a wonderful opportunity for youth to learn to identify many of the four, six, and eight legged creatures known as insects. Hope we can get at least one such 4-H club going in Cass county yet this year.

Congratulations to George Born of Plattsmouth, who recently received word that he is the recipient of an all expense paid trip to the State 4-H Conservation Camp to be held at the beautiful State Park, south of Chadron. The camp is open to all 4-H'ers over 14 years of age as well as leaders. Enrollment fees are \$10.00 plus transportation.

Off the press and available at the county extension office is the new bulletin 408, "Oats in Nebraska."

The 9th annual Omaha Lamb and Wool Congress will be held May 29. Any and all you sheep raisers who are interested in entering some fleeces for the wool show, or some lambs for the lamb show, get in touch with the extension office. We'll be glad to help you make your entries. If you don't have any entries, you'll still find the activities at the show educational and worthwhile for the time spent.

The Pure Food and Drug Administration is demanding that cleaner grains be used for the process of foods for human consumption. Yes, you guessed it, its going to be the producer who pays the bill if weevil infested and dirty grain is marketed. It's going to be a program where quality will be recognized. You are going to hear more and more about this program. Hope this warning will help to head off a disappointment when you market your grain. A few measures to help insure higher quality grain are: cleaning and spraying bins, rat control, and grain fumigation. Grain that goes in a bin dry is less apt to become infested with weevil.

Weeds are growing like weeds! The weed sprayer used while broad leaf weeds are small, efficient, and growing fast, will do more good than if spraying is done after weeds are woody and tough. Spray those fence rows, scatter a little broom seed and, in a year or two, the problem will be lessened a lot. Take a look at your neighbor farm, where he has his fence rows seeded to broom, is it not much better than the fence rows growing up with hemp, sunflowers, and those ugly weeds which cause your highways to fill up with snow in the winter.

Clarence Schmadeke,
County Extension Agent

An average of one out of every 7 acres of U. S. land is underlain with coal.
