Capitol News

(Continued from page 4) er one of the sloppiest jobs of vote tabulating in the state's history. A complete re-check was ordered by the board in order to fill the glaring blanks in the reports.

But there were still some puzzlers. Saine county, for instance, reported 283 votes for a "Howard Taft." The father of Sen. Taft, President William Howard Taft, died 22 years ago.

One cubic foot of bituminous coal can generate enough electricity to operate a refrigerator for 62 days.
