

Bankers Sweep Double-Header 12-9 And 16-2

Plattsmouth State Bank held its lead in the Midget baseball league Tuesday by sweeping a double header from Marge & Elmer's Bar 12-9 and 16-2.

Butch Furse registered his first win of the campaign, allowing only five hits to take the opener. Walton won the second game as his mates banged out eight hits for 16 runs.

Ed Egenberger and Loren Haase led the Bankers in the first game. Both connected for triples while Egenberger also came through with a home run in the fifth inning with two mates on base.

The Bankers scored once in the first inning, three times in the third, twice in the fourth and five times in the fifth to take the opener. The Bartenders threatened with four runs in the bottom of the fifth after trailing 12-5. Aylor, Weber and Cundall clouted triples for the losers as Steinbach lost the first game.

Wiles took the loss in the second game as he gave five walks and dished up a home run ball to Loren Haase in the first inning of the nightcap. The seven runs were all the Bankers needed to coast to their fifth win against one loss. The Bankers scored once in the second, four times in the third, once in the fourth and three runs in the fifth. Walton homered in the fifth.

Marge & Elmers picked up one run in the first on a single by Aylor after Smith walked. Aylor scored the second run in the fourth as he went all the way around on three Bankers' errors.

Seven-Event Race Program On Tap At Fair Grounds

The Nebraska State Fairgrounds this week is the gathering point for auto racers from all parts of the nation.

Drivers from 11 states will compete Friday in a seven-event program worth \$2,500 in prize money. Growing in stature each year, the seventh annual Lincoln meet is regarded as one of the most important dates on the summer schedule.

Coming from the Central States Racing association of Indiana, Ohio, and Michigan are newcomers like Bus Luce of Toledo, Ohio; Ray Knepper of Belleville, Ill.; Charles Irons, Sherrard, Ill.; Ray Grab, Madison, Wis.; and Ray Duckworth, Lebanon, Ind.

These new cars will mix with such long-time favorites of Nebraskans as Bobby Grim, Phil Motta and Fritz Tegmeier.

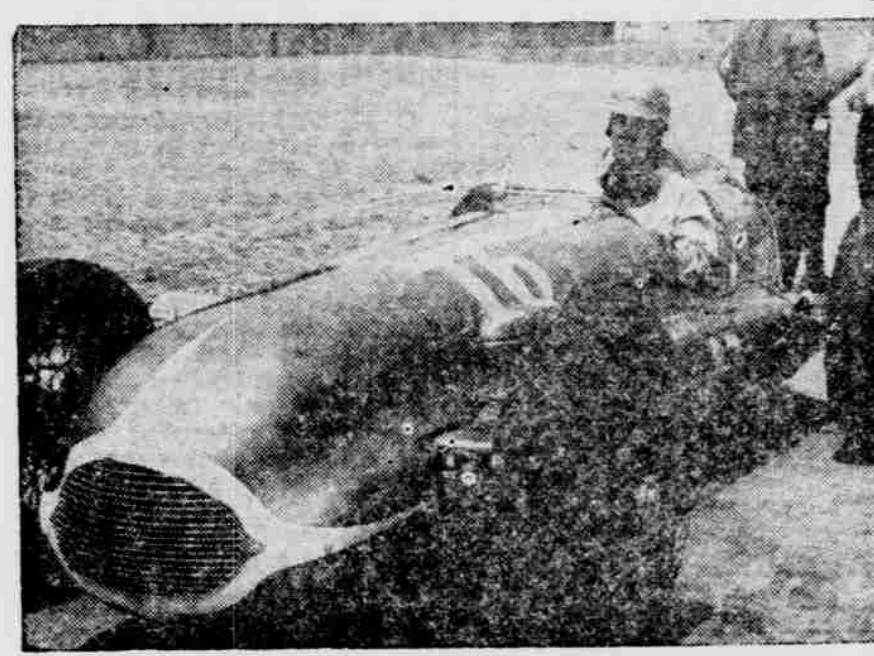

The prime favorite, of course is Bill Holland, winner in 1949 of the Indianapolis 500-mile race.

Edwin Schultz, secretary of the Nebraska State Fair Board, expects the largest crowd in the history of the meet though 14,000 persons looked on last year.

Advance ticket sales are running at a record pace.

The seven-event program will be of record length with a 25-lap feature race slated as the climax event. Time trials will start the meet at 1:30 p. m. with the first race at 2:30 p. m.

Woster's Go Six Innings To Nip Bankers 3 To 2

Woster Shoe Store, giant killer of the Midget League, slapped a 3-2 six-inning loss on Plattsmouth State Bank to drop the Bankers into a first place tie with Cass Drug, Wednesday.

The pitchers' battle, closest game of the season, involved Walton for the Bankers and Mincer for the Shoefitters. Walton allowed five hits while Mincer gave only one safe blow.

Mincer whiffed 13 Bankers in registering the win.

Elwood Johnson backed Mincer's hurling with two hits in three times at bat and scored two runs. Mincer scored the third run after walking in the fourth. The winning run was scored by Johnson in the bottom of the sixth inning. After singling he went to second on a fielder's choice and scored on an error.

Walton struck out six in losing the contest, second loss for the Bankers against five wins.

Philips got the only State Bank hit in the second inning. He later scored. J. Haase scored their first run in the first inning after reaching base on an error.
