## FIRST CHRISTIAN CHURCH

Geo. L. Smith, Pastor  
Sunday—  
9:45 a. m. Sunday school.  
11:00 a. m. Morning worship.  
Sermon by Evangelist Bud Petersen of Omaha.

6:30 p. m. Youth Fellowship groups.  
7:30 p. m. Evening worship.  
Sermon by Rev. Petersen.  
Wednesday—  
8:00 p. m. Midweek prayer service and Bible study.  
Thursday—  
7:00 p. m. Junior choir.  
7:30 p. m. Young people's prayer meeting.

7:45 p. m. Choir practice.  
Beginning Wednesday, August 6, and continuing each Wednesday throughout the month, we are planning special indoor meetings for children, patterned somewhat after the Vacation Bible School idea. This is a new and somewhat different summer program for the kiddies and will be full of interesting activity as well as carefully planned Bible teaching. It will open at 9:00 a. m. each Wednesday morning and continue until 1:30 in the afternoon. Each child is requested to bring a little lunch and the school will furnish a cold drink and dessert.  
It is to be called "The Boys

and Girls Christ for Everyone Club," the Bible Booster Bus will make three runs each club day, just as it did during Daily Vacation Bible School. Remember the opening day, Wednesday, August 6.

## ST. PAUL'S EVANGELICAL CHURCH

Fifth Street and Avenue A  
Parsonage at 714 First Avenue  
A. Matzner, Pastor

### Bible Comment:

## Purity of Heart Is More Than Just Resisting Evil

TO the wise men among the ancient Hebrews the heart was not only the center of man's physical being, but it symbolized also the center and source of his moral and spiritual life. He thought not only with his mind, but with his heart. "As a man thinketh in his heart, so is he." "Search the heart, for out of it are the issues of life." Purity of heart, therefore, became the supreme condition of a good and wholesome life, as much as pure blood is the condition of a healthy body. One can live with a diseased body, for a time at least, just as one can live with a diseased soul, but the seeds of destruction are there. And the conditions and demands of good moral health are as imperative as are the conditions and demands of good health for the body.

What does it mean to be pure in heart? The common tendency is to think of "purity" chiefly, if not altogether, in terms of sex; but purity of heart means a great deal more than avoidance of what Saint Peter has called the "Fleshy lusts that war against the soul." There are other lusts that are as damaging to the soul, and that are perhaps even more destructive to man's fellowmen. There is the lust of power and wealth; and there is even the lust of ease, and the lust of pleasure, which unregulated and uncontrolled can destroy man in the sense of duty.

Purity, too, must be considered on its positive side. It is not enough to resist the temptations of evil; it is necessary to be moved by the impulses of good, and power of love. Purity means strength as well as freedom from taint.

Purity relates to much more than sexual conduct, but that does not mean that purity in that area is any less vital. The Bible is very plain and outspoken concerning right relations between man and woman. It commends the virtuous woman, who will do her husband "good and not evil all the days of her life," and it warns against the "strange women" in whose lure are the ways of destruction. Ancient counsel still holds good.

cause the Spirit is truth." (1 John 5:6). Other Bible citations include, "Is any among you afflicted? Let him pray. Is any merry? let him sing psalms. Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: And the prayer of faith shall save the sick, and the Lord shall raise him up." (James 5:13-15).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. "Prayer cannot change the unalterable Truth, nor can prayer alone give us an understanding of Truth; but prayer, coupled with a fervent habitual desire to know and do the will of God, will bring us into all Truth." (Page 11).

## UNITED PRESBYTERIAN CHURCH

Murray, Nebraska

## Raspberry Plant Spots Probably Is Anthracnose

If you see small, purplish raised spots on the canes or laterals of your raspberry plants, it's probably anthracnose, says John L. Wehling, extension plant pathologist at the University of Nebraska.

The leaves also may be infected, causing small round spots with purplish red borders. The disease is caused by a fungus which overwinters in spots produced on the stems and laterals. Spores spread rapidly in rainy weather and the disease cuts down quality and yield of berries.

The plant pathologist says the disease can be controlled effectively through good cultural practices and spraying. He advises keeping plants cultivated clean until late July. Good ventilation is important in control of the disease.

He says the dead and badly diseased canes should be pruned out and destroyed during the dormant season. If the disease is bad in your raspberries this year, says Mr. Wehling, you should spray early next year with liquid lime sulphur.
