GETS OWN JOB
Berkeley, Calif. — John H. Kilbuck was a researcher on dehydrated foods at the University of California Agricultural Experiment Station. Called to active duty with the Navy, Kilbuck was assigned to his same job at the University of California, doing the same thing.

GIVES LIFE FOR BOY

FREDERICK, Md. — Charles Kay, 28-year-old farmhand, gave his own life to save little Edward Smith from drowning. The boy fell into a pond on his father's farm while fishing. Kay jumped in and shoved the lad toward the edge of the pond. Another worker stretched a pole to the boy and dragged him to safety. Meanwhile, Kay drowned.

One of the coal industry's research projects is the transportation of coal by pipeline.

VITA

Alamito's NEW Vitamin Rich

Low Fat Milk

VITA is the perfect low fat milk because it contains the necessary adult requirement of both Vitamins D and A in every quart.

"D" is the Sunshine Vitamin for strong bones and sound teeth.

"A" is the Vitamin that helps you resist infections as well as a contribution to a fine complexion.

VITA is homogenized for rich, tasty smoothness and digestibility.

VITA is recommended by doctors prescribing low fat diets to those who must control their weight and (or) who need an easy-to-digest milk.
